Financial Aid

A financial aid counselor can help you understand how not returning to or withdrawing from college impacts your current and future financial aid (including merit award) eligibility.

- **Student/Parent Loan Repayment** – If you and/or your parent(s) have borrowed student or parent loans while attending Hope, you need to have a thorough understanding of when your loan repayment begins and the options available to you.
- **Satisfactory Academic Progress Policy** – Withdrawing during the semester impacts your progress toward degree completion, which impacts your eligibility for financial aid. If you think you may want to return to Hope in the future or transfer to another college, we will discuss how withdrawing impacts your eligibility for future financial assistance.
- **Financial Aid Award Adjustments** – We are required to recalculate your financial aid awards based on the number of days you were enrolled before withdrawing. Business Services will compute your charges and award adjustments after receiving your completed Withdraw Form from the Registrar.
- **Merit Award Decisions** – If you are a Hope merit award recipient, non-returning and/or withdrawing impacts your eligibility for future merit award payments.

Business Services -Student Account Information for Withdrawing During a Semester

It is important to talk with an administrator in Business Services before you leave campus. Based on your circumstances and official withdrawal date, you may be eligible for a refund. The standard refund schedule is posted in the college catalog under student expenses.

Housing

Withdrawing during the semester impacts your current housing. The following process will take place:

- Once the withdraw form is complete and turned into the Registrar's office, you will have 48 hours to move out of college housing. We encourage you to let your roommate know you are leaving Hope.
- You will need to arrange a checkout time with your Resident Director (RD) or Resident Assistant (RA). During the checkout process you will:
 - Turn in all your keys to the residence and/or mail key
 - Complete a walk-through of your residence to complete a Room Condition Report (RCR).
 - If you live out of state or abroad and require more time for the move out process, please consult with the Director of Residence Life or the Dean of Students.
