Hope College has a long, rich history of undergraduate research.

Ranked as a Top undergraduate research program by U.S. News and World Report.

A research experience that is second to none!

Social activities with 100 fellow research students occur most evenings and weekends.

You will work directly with a faculty mentor to answer questions at the forefront of scientific research.

Students selected for the REU program will receive a stipend of $4400 for the 10 week program, 100% housing subsidy, and travel reimbursement. Any undergraduate who is a U.S. citizen and will continue to be enrolled in an undergraduate degree program in the Fall of 2008 is eligible. Women and underrepresented minorities are particularly encouraged to apply. Selection criteria include a reasonable academic record, interest in chemistry, career plans, independence, creativity and the potential to benefit from a research experience. The application deadline is February 20, 2009.
