

## **CROSSROADS SCHOLARSHIP**

### ***Renewal Criteria***

This award is renewable annually to a maximum of eight (8) semesters, contingent upon academic achievement, and some participation in appropriate programs. For renewal after the first year, a 2.5 cumulative grade point average must be demonstrated, along with satisfactory participation in the CrossRoads Scholars Program, including appropriate involvement in activities related to multicultural ministry (as defined by the Center for Ministry Studies). Should a recipient have a cumulative GPA below 2.5 at the close of the first, second, or third year, the award will be forfeited for the subsequent year. Eligibility is limited to full-time, degree-seeking students.

These renewal criteria are applied to students at the close of the spring semester of each academic year. Awards will not be reinstated mid-year. However, should the student take any course work at Hope College during the summer and, as a result, regain the required cumulative GPA, the award will be reinstated for the subsequent academic year.

The renewal amount may vary from year to year, depending upon other scholarship awards and financial need. CrossRoads Scholarships, in combination with other scholarships and grants (gift assistance), will typically not exceed the cost of tuition. Students must file a Financial Aid application each year.

Any questions about the scholarship may be directed to the Center for Ministry Studies.
