

Michigan Future Educator Stipend.

The stipend provides student teachers with \$9,600 towards their living expenses during each student teaching semester.

In order to qualify for these funds, you must also meet the additional requirements:

- Be working towards initial teacher certification.
- Be participating full-time or its equivalent in required student teacher coursework.
- Maintain Satisfactory Academic Progress (SAP).
- Be in an unpaid student teaching position in a Michigan public school district or a public school academy.
- Not received the MI Future Educator Student Teacher Stipend before, unless your program specifically requires more than one semester of student teaching.

Once you have received confirmation of your student teaching placement, you may create an account and apply for the MI Future Educator Stipend [here](#). You are also required to submit the MI Future Stipend Verification Form through the MiSSG Student Portal Account.

If you are not a Michigan resident, you are still eligible for the student teaching stipend as long ***as you are student teaching in a Michigan public school.***
