

GERMAN MAJOR FOR SECONDARY TEACHING

Updated May 2019

The **major in German** (State code: FB) for Secondary teachers consists of 32 credits.

Teacher candidates are required to spend at least one semester in a German-speaking country. They are also required to pass an oral proficiency exam at the advanced low level prior to certification, which they are advised to take directly after returning from their study abroad semester.

Teacher candidates for certification must pass the Michigan Test for Teacher Certification (MTTC) German Exam (Test #024). MTTC content exams should not be taken until 90% of course work in the subject area has been completed. A study guide is available at the MTTC website: (http://www.mttc.nesinc.com/PDFs/MI_field024_SG.pdf).

The courses below meet State standards and have been selected so that teacher candidates will be well prepared for the test. Knowledge must be demonstrated in the following categories in order to successfully pass the MTTC subject area exam:
