

SPANISH MAJOR FOR SECONDARY TEACHING WITH K-12 ENDORSEMENT

Updated May 2019

The major in Spanish for Secondary teachers, grades K-12, (State code: FF) consists of 32 credits numbered 321 and above. Teacher candidates are required to spend at least one semester in a Spanish-speaking country. They are also required to pass an oral proficiency exam at the advanced low level prior to certification, which they are advised to take directly after returning from their study abroad semester.

Teacher candidates for certification must pass the Michigan Test for Teacher Certification (MTTC) Spanish Exam (Test #028). MTTC content exams should not be taken until 90% of course work in the subject area has been completed. A study guide is available at the MTTC website: (http://www.mttc.nesinc.com/PDFs/MI_field028_SG.pdf).

The courses below meet State standards and have been selected so that teacher candidates will be well prepared for the test. Knowledge must be demonstrated in the following categories in order to successfully pass the MTTC subject area exam:

Note: G.L.I. (global learning international) possibilities – check degree evaluation, FYS, ENGL 113, IDS 171, REL II and select History and Literature courses

***REL II, CH2, or FA2 taken during a study abroad program, may count as Spanish Electives as well. This would decrease the number of courses needed to fulfill graduation requirements. Options should be discussed with an advisor. It is strongly recommended that IDS 171 be taken to fulfill the CH1 requirement to allow for more flexibility in the course taken abroad to fulfill the CH2 requirement.**

**SPAN 462 can be taken over the summer if there are scheduling conflicts
