

FACES at Hope College

Fostering A Community of Excellence in Science
Peer Mentoring Program for Underrepresented students in the STEM fields

—APPLICATION FORM—

2013

FACES at Hope is looking towards its fourth year at Hope College. It is an exciting peer mentoring program that is designed to support and retain underrepresented and transfer students pursuing degrees in the STEM fields. I am thrilled to invite you to apply to be a mentor for this program.

Please submit this application to Anna Bonnema (mailbox in the 3rd floor chemistry office). If you have any questions please call or email Anna at x7312 or bonnema@hope.edu. All applications will remain confidential.

General Information (please print)

Date: _____ Student I.D. # _____

Name: _____ Ext: _____

Major: _____

Graduation year: _____

E-mail: _____@hope.edu

Do you have a driver's license? _____

Would you be willing to drive a small group of students to a nearby event if needed? _____

Please provide names of two on-campus faculty members as references (at least one from your major).

Have you attended a training session at Hope on Peer Mentoring? _____

Please circle or check all that apply:

Transfer Student Resident Student Commuter Student International Student

Sophomore Junior Senior

Please list all activities (organizations, thesis, etc) and jobs you are participating in this year?

Please print your answers below. You may use a separate piece of paper if necessary.

1. Why are you interested in becoming a mentor for underrepresented/transfer students in the sciences?

2. What do you feel is the most important aspect of mentoring for underrepresented/transfer students in the sciences?

3. Describe any additional experience you have had and/or talents or skills you possess which would serve you as a mentor?

4. What do you see as your strengths, or ways in which you think that you can be a positive role model to your mentee?

5. Answer one of the following: (a) Describe a difficult semester at Hope. What were the difficulties and how did you overcome them? OR (b) Describe a successful semester or internship. What steps did you take to make that success happen?

Thank you for your interest. I look forward to meeting you.
Anna Bonnema
