

Study Abroad Scholarship Application May/June Terms

The May/June Term Study Abroad Scholarship is an award providing assistance to students with financial need. Students must be in good academic and behavioral standing with the College and plan on participating in a Hope College sponsored international May/June term.* A committee of administrators will review student applications for the award. The committee consults with the Office of Financial Aid to determine which applicants meet the criteria stated above to determine student financial need.

Submit your completed application with the short essay attached by December 1 to the Fried Center for Global Engagement. Please complete the following information:
