

EXERCISE SCIENCE MAJOR PRE - AT COURSE SEQUENCE

The following course sequence is recommended; however, there is flexibility within the schedule.

BIOL 221 **must** be taken prior to taking KIN 222 & 223. KIN 202 should be taken as early as possible. MATH 210 **must** be taken before taking KIN 250. Kin 200 **must** be taken prior to Kin 221, and Kin 221 **must** be taken before Kin 383. Additionally, KIN 222 & 223 **must** be taken before taking KIN 323. KIN 222, 223, 250, CHEM 125/127, and MATH 210 or MATH 311/312 **must** be taken prior to taking KIN 422

The following sequence of courses serves as a suggestion only. AT schools may have different pre-requisites; therefore, you should see the pre-health professions advisor **AND** an exercise science advisor as soon as possible. In addition, you should check required courses for graduate schools to which you plan to apply.
