**Physicals for Study Abroad, Camp, and/or Employment**

*Peace Corps physicals (see below)*

Physicals done through the Hope Health Center are performed by our Physician Assistant. Appointments for illness do take precedence and therefore appointments for physicals are limited. Do understand that most requests for physicals come at the same time (end of the semester). We will do our best to provide you with a reasonable date and time to have your physical completed. *We are unable to guarantee that you can receive an appointment before the due date of your physical.* Many programs will accept a late form if you notify them of your situation and the date of your physical. To assist in this process, please follow these guidelines:

1. **Check that your physical will be accepted if signed by a Physician’s Assistant or Nurse Practitioner.**
   - If only a medical doctor can sign your form you will need to see one of the alternatives listed below.
2. **Bring the form that needs to be completed for your program to the Hope Health Center prior to the scheduling of your appointment.**
   - An RN will review the form and determine if you will need a pre-physical appointment to complete testing before the physical.
3. **Schedule date(s) and time(s) to have your physical done.**
4. **Show up for your scheduled appointment(s).**
   - Missed appointments will not be rescheduled.

Physicals are NOT covered under the HopeHealth benefit.

The **starting fee** for a basic physical is $30.
- Fees increase in price depending upon the testing required and the amount of time required to complete the physical and paperwork.
- Fees may be paid with cash/check at the time of service or put onto your student account.

You may request a statement to turn into your insurance company for possible reimbursement.
- You are responsible to check your major medical insurance regarding reimbursement.

**Other options for completion of your physical include:**

| Your Home physician. | Lakeshore Health Partners  
Walk-in clinic  
830 Westpark Way  
Zeeland  
616-772-7314 | Holland Medi-Center  
335 N. 120th Ave  
Holland  
616-392-5222 |

* Physicals for the Peace Corps will need to be completed by your home physician due to the lengthy process and intensive information required.
