**Green Campus Questions**

Name of sustainability office: 

Sustainability Contact Name: Greg Maybury

Title: Director of Operations

Address 1: 141 E. 12th Street
| Address 2: |  |
| City/Town: | Holland |
| State/Province: | MI |
| Zip/Postal Code: | 49423 |
| Telephone: | 616-395-7671 |
| Email: | maybury@hope.edu |
| URL: | http://green.hope.edu |

Has your school established a public commitment on sustainability?  
Yes  No

Please elaborate here. If online please provide link here:
but we have a mission statement on sustainability on http://green.hope.edu

Has your school produced a publicly available greenhouse gas emissions inventory and adopted a climate action plan consistent with 80% greenhouse gas reduction by 2050 targets?  
Yes  No

Additional comments:  
will have GHG inventory this spring

Is your school an ACUPCC signatory?  
Yes  No

Does your school have in place ongoing public reporting on progress being made towards its sustainability commitments?  
Yes  No

Please elaborate here. If online please provide link here:
http://green.hope.edu

Does your school have a formally established and active body on shareholder responsibility in relation to the institution’s endowment that makes recommendations on proxy voting, investment screening, or shareholder advocacy to support sustainability?  
Yes  No

Additional comments:

What percentage of your school’s energy consumption, including heating/cooling and electrical, is derived from renewable resources (including ‘green tags’ but not nuclear or large scale hydro power)?

| Percentage | 0% |

What is the breakdown between on-site renewable versus off-site renewable energy?

| Percentage | on-site | off-site |

Does your school employ a dedicated full-time (or full-time equivalent) sustainability officer?  
Yes  No

If so, reporting to:

- President
- Provost
- VP
- Asst. VP
- Dean
- Director

Please check the type of activities your sustainability officer(s) actively participate in:

- planning
- design and construction
- facilities operation and maintenance
- Other (please specify)

If you selected other, please specify:
How many dedicated full-time equivalent campus sustainability staff per 5,000 students does your school have (may include recycling, alternative transportation, energy, sustainable procurement, sustainability outreach)?

Has your school included environmental performance requirements in procurement contracts for (check all that apply):

- paper
- cleaning
- landscaping
- office supplies
- building materials
- equipment
- Other (please specify)

If you selected other, please specify:

Please list your school's top three undertakings that represent your environmental commitment.

1. electrical use reduction
2. water use reduction
3. expanded recycling

Does your school's career center provide active and substantive guidance on 'green jobs'?  

- Yes  
- No

Please elaborate here:

Does your school provide opportunities to participate in sustainability research?  

- Yes  
- No

Please elaborate here:

Many research projects in the sciences relate to sustainability issues.

Does your school have an active student run sustainability group, club or organization on campus?  

- Yes  
- No

Please elaborate here:

Environmental Issues Group

Does your school have an environmental studies major, minor or concentration?  

- Yes  
- No

What other departments offer environmental courses or degrees?

- Biology, Geology, Religion

Does your school have an environmental literacy requirement or mandatory introductory course on sustainability or climate change?  

- Yes  
- No

Additional comments:

If not, is there a plan to include one in the future?  

- Yes  
- No

Additional comments:
Does your school have a formal committee that is devoted to advancing sustainability on campus?

- [ ] Yes
- [ ] No

Which stakeholder groups make up this committee? (check all that apply)

- [ ] Faculty
- [ ] Students
- [ ] Facilities
- [ ] Finance
- [ ] Alumni
- [ ] Athletics
- [ ] Dining Services
- [ ] Transportation
- [ ] Campus Safety
- [ ] Health Services
- [ ] Student Life
- [ ] Residence Life
- [ ] Other (please specify):

If you selected other, please specify:

What percentage of meals in the dining halls are complete vegetarian options available?

- [ ] 100%

What percentage of food expenditures go toward local, organic, or otherwise environmentally preferable food?

- [ ] %

Are new buildings required to be LEED Silver or comparable?

- [ ] Yes
- [ ] No

Are major renovations required to be LEED Silver or comparable?

- [ ] Yes
- [ ] No

Are new buildings required to be LEED Certified?

- [ ] Yes
- [ ] No

Additional comments:

Are new buildings required to be certified by an equivalent third party certification program?

- [ ] Yes
- [ ] No

Additional comments:

Are major renovations required to be LEED Certified?

- [ ] Yes
- [ ] No

Additional comments:

Are major renovations required to be certified by an equivalent third party certification program?

- [ ] Yes
- [ ] No

Additional comments:

For existing buildings on campus:

- [ ] 10% of buildings that have undergone energy related retrofits or renovations within 3 years (insulation, windows and/or HVAC)?
- [ ] 0% of buildings that have an Energy Star Performance Rating of 69 or greater
0\% of buildings that are LEED certified (or comparable) and/or actively pursuing certification

0\% of buildings that have been certified using LEED for Existing Buildings Rating System or an equivalent, third party certification program

Does your school have standards that establish energy performance standards beyond code for all building upgrades?

Yes \_ No

Additional comments:

Does your school have a green cleaning policy?

Yes \_ No

Additional comments:

in practice, but no policy

What percentage of cleaning products (by total expenditures) are Green Seal certified?

90\% 

What percentage of managed campus grounds are maintained organically?

85\% 

Has your school implemented an integrated pest management (IPM) plan?

Yes \_ No

Additional comments:

Does your school have an Indoor Air Quality (IAQ) Management Program?

Yes \_ No

Additional comments:

only as building code requires

Does your school have a Stormwater Management Plan?

Yes \_ No

Additional comments:

no formal plan, but city code requires it

Does your school have a retrocommissioning, recommissioning and/or ongoing commissioning plan for major energy-using systems in buildings?

Yes \_ No

Additional comments:

we do this ad hoc

Does your school prohibit smoking in buildings and designate exterior smoking area at least 25 feet from the building entries, outdoor air intakes and operable windows?

Yes \_ No

Additional comments:

county code requirement

What percentage of your buildings have designated recycling areas?

80\% 

Does your school participate in Recyclemania?

Yes \_ No

What is your overall waste diversion rate?

Unknown

Does your school have a solid waste management policy to reduce the amount of waste hauled to and disposed of in landfills or incineration facilities?

Yes \_ No

Additional comments:

no formal policy, but we have a composting policy

School offers the following benefits and management programs to encourage alternatives to single-passenger automobile use by students (Check all that apply)

- free bus pass
- universal access transit pass
What percentage of student trips are through alternative transportation (to/from campus)?

Restricting parking
Bike share/rent
Car share
Carpool parking
Vanpool
Market based pricing (hourly parking costs)
Guaranteed ride home
Preferred parking for carpools/vanpools
Preferred parking for low-emitting/fuel-efficient vehicles
Dedicated bike lane
Other (please specify)

If you selected other, please specify:

What percentage of student trips are through alternative transportation (to/from campus)?

0%
PLEASE NOTE THE FOLLOWING:
1) Saving the form does not Lock it. You may return at any time to make changes or update your data.
2) Once you have saved all of your forms, you will receive no further email reminders for the active data collection campaign.

I certify that the data contained in this form are accurate, correct, and up-to-date.
