

**COVENANT SCHOLARSHIP
ACCEPTANCE FORM**

Student Name: _____ **Student ID:** _____

In acceptance of this award offer, the following terms and conditions apply:

1. Your Covenant Scholarship pays your tuition charges up to 16 credit hours each semester. If you enroll for more than 16 credits in any semester, the additional tuition charges are your responsibility. The Activity Fee is also paid by this scholarship.
2. Your Covenant Scholarship will pay your room charge for Hope College's standard double occupancy residence hall. If you choose to live in on-campus housing where the charge exceeds the standard cost, the difference between your higher room charge and the standard room charge is your responsibility. Should you choose to live off campus, you will forfeit the room and board portion of your scholarship for the applicable semester(s).
3. This scholarship will pay for a meal plan (board) of 21 meals per week. Should you choose a meal plan with fewer meals per week, you are not refunded the difference.
4. You are eligible to receive this scholarship for a maximum of four (4) academic years (eight semesters). If you complete your degree requirements in less than eight (8) semesters, your scholarship terminates when those degree requirements are met.
5. To remain eligible for this scholarship, ALL of the following criteria must be met:
 - Maintain Satisfactory Academic Progress as defined by the Hope College Office of Financial Aid.
 - Maintain full time status, enrolling for 12 or more credit hours each semester. If you drop below 12 credit hours, you will forfeit your scholarship for that semester.
 - Complete the Free Application for Federal Student Aid (FAFSA) each year you receive this award.
6. Should you fail to meet any of the criteria stated in item 5 above, you will forfeit the scholarship until you once again meet all of these same criteria. Forfeited semesters are deducted from the eight total semesters of eligibility.
7. This scholarship offer represents the maximum amount of scholarship/grant assistance you may receive from ALL sources (both external and internal) during your enrollment at Hope College. Should you qualify to receive any other scholarships and/or grants (either external or internal) your Covenant Scholarship will be reduced to accommodate those funds. If you wish to secure additional financial aid, educational loans may be an option for you.
8. You may use up to two (2) semesters of your Covenant Scholarship eligibility for off-campus study in programs approved by Hope College. This applies to both domestic and international programs. Charges for off-campus study will be paid up to a maximum amount that would be awarded for on-campus study (i.e. standard tuition, standard room, board charges). This scholarship does not pay additional expenses related to off-campus study; any additional expenses are your responsibility.
9. Your Covenant Scholarship is available for the fall and spring semesters only (August – April). Should you enroll in summer classes (May, June, July) at Hope College, your Covenant Scholarship will not pay any of your charges. If funds are needed, educational loans may be an option for you (this policy applies to both on- and off- campus summer programs).

Your Agreement:

I have read and understand the terms and conditions of this scholarship offer. I also understand that any charges incurred while enrolled at Hope College not paid by the Covenant Scholarship are my responsibility. I understand that I will not be permitted to enroll in subsequent semesters should I fail to pay my charges in full. I am aware that Hope College may revoke my Covenant Scholarship if I do not comply with the policies stated above.
