## Harvey Blankespoor Endowed Fund for May Term in the Sciences

Participants in this trip are invited to join others in supporting today's Hope students by funding experiential learning through travel. This safari is modeled after a biology student trip and helps to support programs like it through the *Harvey Blankespoor Endowed Fund for May Term in the Sciences*.

Dr. Blankespoor has been a member of the faculty since 1976 and has been named national Professor of the Year by The Council for Advancement and Support of Education and The Carnegie Foundation for the Advancement of Teaching. This fund was established in honor of his international work with Hope students.

Participants in this trip are invited to support this important endowed fund. You can make a gift as part of registration (on reverse) or call 616.395.7250 to learn more.
