Summer CASA 2017
Teacher

CASA (Children’s After School Achievement), a community program of Hope College, invites application for the position of part-time, summer only Teacher for Summer CASA 2017. Application packet deadline: TBA.

Summer CASA is a six-week, four days a week, morning program. Five classrooms of approximately 15 – 20 students are taught by certified teachers, each assisted by a Teaching Assistant. Academics as well as personal and cultural enrichment are emphasized.

Summer CASA 2017 runs Mondays through Thursdays, beginning Monday, June 19 through Thursday, July 27. Teachers’ hours are approximately 8:00am to 12:45pm daily, with a staff meeting until 1:45 once a week. Additional required hours are:

1. Staff Orientation on Saturday, May 6, 9 am – 1:00 pm
2. Staff Training and Planning on Wednesday and Thursday, June 14 and 15, 9:00 am – 1:00 pm

The pay rate is $20.00 per hour.

Summer Teacher responsibilities include: Fostering a positive, safe, and creative learning environment; developing classroom curriculum, lesson plans and objectives to address the academic needs of at-risk students; supervision of a Teaching Assistant and volunteers; planning educational field trips and transporting students in Hope College vans; student supervision before, during, and after class; attending scheduled meetings; presenting a short workshop(s) on a personal interest topic of choice to groups of CASA students; and other tasks as assigned by supervisors. Teachers are expected to work the entire duration of the summer program.

Additional skills and qualifications: Demonstrated successful experience teaching ethnically and economically diverse populations of elementary students, and flexibility and enthusiasm for service. The ability to communicate in Spanish is highly preferred. Teachers must have a valid teaching certification, a valid U. S. driver’s license held for at least two years, and an excellent driving record.

Application information will be posted on the Hope College website, beginning in late February: www.hope.edu/employment/staff - CASA Summer Teacher

CASA is an after-school program that serves diverse elementary school children in the Holland area. The program builds academic and social competence by providing after-school tutoring and summer sessions.
