EDUCATION

The Department of Education prepares students to teach in elementary and secondary schools.

ABOUT THE PROGRAM

Hope College's Teacher Education programs are approved by the Michigan Department of Education. The Council for the Accreditation of Educator Preparation (CAEP) recognizes the Department of Education at Hope College as a nationally accredited program. CAEP: 1140 19th Street N.W., Washington, D.C. 20036 (caepnet.org) This accreditation covers all preparation programs.

To fulfill the requirements for graduation and for certification, all students planning on a professional teaching career must complete a major and a minor in an approved academic field, all general education requirements, and the professional education course sequence. This sequence introduces the theoretical foundations of creative and responsible teaching and simultaneously provides field experiences for students to put theory into practice. Students complete a minimum of five field placements in area schools prior to student teaching. Throughout the professional sequence, prospective teachers develop increasing competence and confidence in the professional abilities identified by education faculty. These abilities enable a graduate to act as:

- Ethical Educators
- Skilled Communicators
- Engaged Professionals
- Curriculum Developers
- Effective Instructors
- Decision Makers
- Reflective Practitioners

Student-led chapters of national organizations, particularly Council for Exceptional Children and Association of Supervision and Curriculum Development, offer professional development and service opportunities for teacher education students. A student chapter of NAEYC (National Association of the Education of Young Children) will be available soon. Students are also given opportunity and encouraged to engage in research projects and to attend and present at state, regional and national conferences.

Graduates of Hope's education program teach in public, private, charter and parochial K-12 schools across the country and around the world. Most graduates pursue advanced studies for continuing certification and to complete graduate degrees in their majors or in special areas.
of education, such as reading, curriculum development, special education, counseling and administration.

Graduates of our education program are currently serving as:

- Classroom teachers in rural, urban and suburban K-12 schools
- Special education teachers in categorical, inclusive or resource classrooms
- Teachers overseas
- Peace Corps volunteers
- Counselors in elementary and secondary schools
- Curriculum coordinators and supervisors
- Administrators in school systems throughout the United States
- College professors

Information contained in this catalog is subject to change, due to mandates by the Michigan Department of Education or the Michigan State Board of Education. Students should consult Department of Education personnel and/or the Department of Education website to ensure that they have received updated information.

TEACHER PREPARATION PROGRAMS:

Students planning to teach in elementary and secondary schools must be formally admitted to the Teacher Education program. Application for admission to the Teacher Education program is made following the successful completion of the required introductory courses and field placements. Michigan law, as well as some other state laws, prohibit an individual from obtaining or maintaining a valid certification if the individual has any of several listed criminal convictions. The Hope Department of Education will evaluate criminal convictions to determine an individual’s likelihood of obtaining a teacher certificate and whether the individual will be admitted into the program. Application information and procedures can be accessed online on the Department of Education website.

Students are urged to plan their programs carefully and should begin that process early in their college careers. Students are expected to meet individually with education faculty for advising. Students typically begin the teacher education sequence with Education 220/221 during their freshman or sophomore year and reserve one semester of the senior year for student teaching. Application for student teaching must be made two semesters before the student teaching semester. Information about required courses is available on the department website.

All program requirements must be completed for students to be recommended for a teaching certificate in the State of Michigan. Program requirements include:*

1. Formal admission to the Teacher Education program.
2. Satisfy the general education requirements for the B.S., B.A. or B.M. degree at Hope College.
3. Completion of the Professional Education Sequence which has been established.
4. Earn a C+ or better grade in each education professional sequence course in levels 2 and 3 and corresponding field placements.
5. Earn a GPA of at least 2.75 in each of the following areas prior to student teaching: the major course sequence, the minor course sequence, the education sequence and the cumulative GPA for all college coursework at Hope College.
6. Complete the requirements for a major and minor** approved by the Department of Education and affirmed by the Michigan Department of Education.
7. Pass the required Michigan Tests for Teacher Certification (MTTC) in appropriate areas.
8. Hold valid certification in CPR/First Aid at the time of application for Michigan teacher certification.

*State of Michigan requirements are subject to periodic change. Students must meet State of Michigan and Department of Education requirements for teacher certification in effect at the time application is made.

**Specific requirements for all certifiable majors and minors are available on the department website.

A COMPLETED APPLICATION INCLUDES THE FOLLOWING ITEMS:

1. Program application accessed online through department website
2. Three recommendations from faculty members (online)
3. Major/minor declaration forms (online)
4. Successful field placement evaluations for Education 221 and Education 226
5. Passing scores on the Michigan Test for Teacher Certification (Professional Readiness Exam) or accepted alternative tests
6. Signed statement of Commitment to the Profession
7. Attendance at two required information sessions: Department of Education Orientation, and Chalk & Wire Electronic Portfolio Orientation
8. Cumulative GPA of at least 2.75/4.0 scale
9. IDS 200 or AES 210 requirement
10. Consent for Criminal Background Check: A criminal background check and fingerprinting are required for student teaching.

All policies that pertain to the application process to the Teacher Education program, the continuation through the course sequence, the process for assignment to a student teaching placement and final approval for Michigan certification can be found on the department’s website under “General Information Policies and Procedures.” These policies and procedures are available electronically on the department’s website (www.hope.edu/academic/education/). Students must read this information, become familiar with all expectations, deadlines and
responsibilities, and comply with policies and regulations stated therein. Failure to do so may cause delays in the student’s application process, in entry to courses in the professional sequence and to the student teaching semester.

Elementary Education:

Elementary: 1) Teacher candidates select a major in Mathematics, Integrated Science, Social Studies or English Language Arts. The candidates must also complete a prescribed Planned Program minor consisting of three content areas, as well as course work in Health/Physical Education, World Languages and the Arts; or 2) Teacher education candidates who select a Comprehensive major must also declare a Special Education major (Emotional Impairments and/or Learning Disabilities), a Spanish K-12 major or an Early Childhood minor. Complete EDUC 220, 221, 225, 226, 270, 280, 281, 282, 283, 310, 311, 312, 455, 470, 500

Secondary education:

Secondary: Teacher education candidates select a content or group major and a minor. If an Emotional Impairments or Learning Disabilities major is selected at the secondary level, the candidate must declare an English or Mathematics minor (See Department of Education website for details). Complete EDUC 220, 221, 225, 226, 270, 275, 276, 285, 286, 287, 360, 361, 455, 480 or 485, 500 and methods courses in the major and minor fields.

Special education:

The Department of Education offers majors in the areas of K-12 Emotional Impairments and K-12 Learning Disabilities. Students follow either the Elementary or Secondary certification track. Students complete courses as listed for elementary or secondary as well as EDUC 241, 242, 251, 253, 254, 333, 342, 352, 356, 357, 358, 359, 434, 453, 454, student teaching, PSYC 230, 320/235.

K-12 Teaching specialists:

In the areas of Art, Music, Kinesiology, Dance and Spanish, Hope College offers K-12 programs for teaching specialists. Students majoring in Art, Music, Kinesiology and Dance follow the Secondary certification track. Students majoring in Spanish K-12 choose either the Elementary or Secondary certification track. Complete EDUC 220, 221, 225, 226, 270, 275, 276, 285, 286, 287, 500, methods courses, student teaching.

Student teaching and field placement requirements:

Students completing requirements for a secondary teaching certificate must have field experiences (inclusive of student teaching) in both the major and minor areas of study and in both middle and high school.

Students completing requirements for K-12 endorsement (special education, dance, music, art, kinesiology and Spanish) must have field experiences (inclusive of student teaching) at the elementary and secondary levels.
Students who complete requirements for an elementary teaching certificate must also have structured field experiences (inclusive of student teaching) at both the elementary and middle school levels (with the exception of Early Childhood candidates).

All Students must complete a minimum of three different diverse placements (inclusive of student teaching). Diverse placements are defined as a classroom with at least 20% racial diversity, at least 20% low socioeconomic diversity and inclusive of students with exceptionalities (special needs or gifted).

**Student Teaching Opportunities:**

In addition to a broad range of local student teaching opportunities, elementary and secondary teacher candidates may apply for off-campus student teaching through The Philadelphia Center; the Chicago Semester Program; Liverpool, UK; Interaction International; Hope comes to Watts, Los Angeles, California and the Rosebud Indian Reservation, South Dakota and various international settings (as available). The Department of Education website has updated information about off-campus student teaching opportunities.

After approval from the Department of Education, students fulfill their student teaching experience in urban, suburban or rural school districts.

**MEETING PROFESSIONAL STANDARDS:**

All students in education courses must demonstrate that they have met the Interstate Teacher Assessment and Support Consortium (InTASC Standards), as well as the National Education Technology Standards for Teachers (NETS*T) in order to be designated as “highly qualified” teachers. The Department of Education has selected an electronic portfolio program (Chalk & Wire) that requires students to model core teaching standards and store artifacts and assessments over the course of the certification program. Utilizing this past work, teacher candidates will develop their student teaching professional portfolios to demonstrate they have met these professional standards. Graduates may continue the use of this program as they begin their careers.

**certification:**

After successful completion of all program requirements, graduates will qualify for a teaching certificate from the State of Michigan. Although teaching requirements vary among states, the Michigan certificate, through reciprocal certification agreements, is valid in many other states. Students desiring to teach outside of Michigan should confer with the Department’s Director of Certification for specific requirements.

**FINDING A TEACHING POSITION:**

Special efforts are made by the Boerigter Center for Calling and Career to help teacher candidates secure teaching positions, but the college does not guarantee the placement of
graduates in positions. Credentials packets must be completed during the student teaching semester. They are then managed either by the student or by a private online service.

**MAJORS**

PROFESSIONAL SEQUENCE COURSES

EDUC 280 - Literacy I: Reading and Language Arts, Birth to Third Grade
This course provides an in-depth examination of literacy issues which begin at birth and develop through the third grade. The six language arts (reading, writing, speaking, listening, viewing and visually representing) will be studied in an interactive, integrated manner to guide the prospective teacher through a developmentally appropriate, constructive analysis of emerging literacy. Through the use of children’s literature, diagnosis and assessment, reading strategies, phonological awareness, writing and holistic approaches to instruction, the prospective teacher will be encouraged to adopt a flexible teaching stance which recognizes the diversity of learning styles and needs in the elementary classroom.

Credits Awarded: 3
Terms Offered: Fall, Spring
Prerequisites: Declared education major
Corequisites: Educ 281

EDUC 281 - Literacy I: Field Placement
This coordinated, supervised field placement occurs in an appropriate elementary school, Pre-K through grade three.

Credit Awarded: 1
Terms Offered: Fall, Spring
Prerequisites: Declared education major
Corequisites: Educ 280

EDUC 282 - Literacy II: Reading and the Language Arts, Grades 4-8
This course focuses on the transitional reader. It is during grades 4 through 8 that the child will become an independent reader in the elementary or middle school classroom. Building on the foundation provided in Educ 280, prospective teachers will consider issues surrounding content area reading and the growing use of expository texts, informal and formal assessment, children’s literature, and the integrated language arts. Additional attention will be paid to designing and conceptualizing instruction which engages all learners.

Credits Awarded: 3
Terms Offered: Fall, Spring, Summer
Prerequisites: Declared education major, Educ 280 and Educ 281
Corequisites: Educ 283

EDUC 283 - Literacy II: Field Placement
This coordinated, supervised field placement occurs in an appropriate elementary or middle school setting, grades 4-8.

Credit Awarded: 1
Terms Offered: Fall, Spring, Summer
Prerequisites: Declared education major, Educ 280 and Educ 281
Corequisites: Educ 282
EDUC 285 - Literacy in the Content Area
This course will focus on the integration of reading, writing, listening, speaking, viewing, and graphically representing into content subjects for grades 6-12. Course topics include: disciplinary literacy practices, generic literacy skills, modeling comprehension, differentiation, ELL, diverse learners, and assessment practices.
Credits Awarded: 3
Terms Offered: Fall, Spring
Prerequisites: Declared education major, Educ 275 and Educ 276
Corequisites: Educ 286

EDUC 286 - Literacy in the Content Area
Field Placement
This coordinated, supervised field placement occurs in an appropriate content area middle school or high school classroom.
Credit Awarded: 1
Terms Offered: Fall, Spring
Prerequisites: Declared education major, Educ 275 and Educ 276
Corequisites: Educ 285

EDUC 287 - Classroom Management for Secondary Teachers
This course will examine critical dimensions of adolescent (ages 12-18) development and identify appropriate instructional structures which create effective middle and high school learning environments. Students will study, analyze, and link classroom and behavior management theories and techniques with issues of instructional design. This course is not required for Music Education majors.
Credits Awarded: 2
Terms Offered: Fall, Spring
Prerequisites: Declared education major
Corequisites: Educ 285 or Educ 360

EDUC 305 - Physical Geography
This course explores the basic concepts and terms related to the study of physical geography. The characteristics and uses of maps, globes, and other geographic tools and technologies are addressed. The course also identifies the characteristics of landmasses and the physical processes in their development, including the shapes and patterns on the earth’s surface, e.g., the atmosphere, the biosphere, the hydrosphere and the lithosphere.
Credits Awarded: 2
Terms Offered: Fall
Prerequisites: Declared education major

EDUC 306 - Cultural Geography
This course examines the geographical and climatic factors that have influenced the social and economic development of global populations. It analyzes the relationship of humans and their environment and explores the nature and complexity of earth’s cultural mosaics.
