

LINE UP OUTDOOR COMMENCEMENT

DIRECTIONS:

Students will line up according to their section, row, and seat number. Lines will be grouped by rows and students will line up facing South (facing toward the cemetery and backs toward the chairs). Students in the Right Section will line up in reverse number order (ie 24 will be first, followed by 23, 22, 21 etc). Please note, some rows are not illustrated above as this map is not drawn to size.
