

SECOND CENTURY

Second Century

Second Century members fortify and sustain the livelihood of the college. They are in the forefront of Hope philanthropy. Members are those who commit themselves to annual support of \$2,500 or more to any fund, or a \$50,000 or more outright commitment. Life income contracts of \$100,000 or more also qualify for membership.

In 2015-16 Second Century members contributed \$10,404,963, 61% of all cash gifts received by Hope.
