

# Hope College greatly appreciates the loyal support of our donors.

Your gifts help to provide the Hope experience for each new generation of students.

Alumni gifts to the 2016-17 Hope Fund alone totaled \$1,861,091. Included in this figure are corporate matching gifts generated by the contributions of Hope alumni. Donors numbered 5,111 or 17% of the alumni body.

When considering *total* alumni giving, donors numbered 5,302 or 18% of all alumni. This overall gift total was \$9,186,698 in 2016-17 and includes endowment and planned gifts.

⚓ Hope Builders, designated by an anchor before their names, are recognized for their loyal and faithful support. A Hope Builder is an alumnus, parent, friend, business, or church that has contributed to any fund at Hope College for three or more consecutive years. The three years include the current year (2016-17) plus the two previous years.
