MONTHLY PROGRAM

Date: Tuesday, January 6, 2015
Time: 9:00 AM refreshments, 9:30 AM program
Place: Haworth Inn & Conference Center
Program: For Good. For Ever. – What “good” does the Community Foundation do and why does “forever” matter?

Holland-Zeeland Community Foundation; Mike Goorhouse

The Community Foundation of the Holland/Zeeland Area (CFHZ) has grown significantly in size and influence over the last 25 years, all while operating under the tagline of “For Good. For Ever.” This presentation explains what “good” the Community Foundation does and analyzes why “forever” matters by exploring three main topics: 1. A history of the key moments that propelled CFHZ from its beginnings in 1951 to present-day. 2. An explanation of the two key roles played by CFHZ: building a permanent community endowment and helping donors achieve their charitable goals. 3. Examples of how CFHZ stewards our Community’s Endowment to positively impact the Holland/Zeeland area.

Mike Goorhouse is President/CEO of the Community Foundation of the Holland/Zeeland Area (CFHZ). Mike’s involvement with CFHZ goes back 14 years to when he served on the Youth Advisory Committee. He has since spent his entire career in philanthropy including working with numerous private foundations and community foundations while at the Council of Michigan Foundations prior to joining the CFHZ staff in 2012. Mike has been named one of the top 40 business leaders under the age of 40 by the Grand Rapids Business Journal and one of the nation’s top 30 civic leaders under the age of 30 by the National Conference on Citizenship. Mike holds a Master’s of Public Administration in Nonprofit Management from GVSU as well as a Bachelor’s degree in Secondary Education from Calvin College. He is a Certified Gift Planning Associate (CGPA) and a Certified Fund Raising Manager (CFRM). Mike has served on many nonprofit boards including Kids’ Food Basket, Learning to Give and the Association for a More Just Society.

COMMUNICATIONS  Communications Chair: Lorelle Eberly, jakelorelle@sbcglobal.net

Last month we suggested that you share your experiences or memories of the Thanksgiving and Christmas holidays with your friends and colleagues at HASP by submitting your writings or drawings for the 2015 HASP Review. Stories of other seasons, travels, unusual events, thoughts, poems or fiction also make wonderful reading!

We are now ready to edit and prepare your submissions for the Review format. We just need you to get them to the HASP office. You may bring (or mail) a 'hard' copy to the HASP office at 100 East 8th Street, Suite 270, Holland, Michigan 49423; leave it in the Communications folder in the hallway between the HASP classroom and the HASP office or email it to <hasp@hope.edu>.

Any one of the Committee members would be happy to answer your questions about length, format, style, 'good beginnings,' 'closings,' or anything else to make the writing easy for you! The bottom line is We Want To Hear From You.

SERVICE  Service Chair: Larry Lynn, oldrun@aol.com

Please see the article towards the end of the bulletin for “Opportunities for Volunteering in Hope Classes”. There are many wonderful opportunities for us to serve Hope students and faculty! Please contact Elliot Tanis, tanis@hope.edu, with questions.

Special Event Proposal - Lexington, Kentucky

BRING ON SPRING
For those interested in learning more about the April 14 – 17 trip to beautiful bluegrass country in and around Lexington, Kentucky, two duplicate orientation sessions will offer help in making your decision and enable your Special Events Committee to complete final arrangements. Video previews of places on the itinerary will include: 1) Keeneland race track, 2) the Town Branch Distillery and Brewery, and life as lived in the 3) largest of Shaker villages, Pleasant Hill. Keeneland is the highly esteemed site of the 2010 World Equestrian Games and of the prestigious Breeders’ Cup races in October 2015, one of the two race seasons of the year.

Additional features of our visit will take us on walking tours of 4) Lexington’s historic district (homes of Mary Todd Lincoln and the Hunt-Morgan families) and 5) tuition-free Berea College with a meal at their renowned 6) Boone Tavern. We plan to meet and mingle with members of HASP’s counterparts at the U of Kentucky; hear special speakers and guides; sample southern cooking at some interesting restaurants; stay at the Baymont Inn and Suites motel with full breakfasts. Our *grande finale* as we return home will be a tour of world-famous architecture-rich Columbus, Indiana and lunch at popular Zaharakos Ice Cream Parlor. For a small city, Columbus is a major repository of modern architecture with works by luminaries like Eero Saarinen, Cesar Pelli, and Richard Meier. "National Geographic Traveler" magazine ranks Columbus the number one historic U.S. destination. The American Institute of Architects gives it sixth place for architectural innovation and design.

Approximately three weeks ahead of weather in our northern latitudes, redbud and dogwood should be in bloom. Young foals will be frolicking behind miles of picturesque white fences and stone walls. We will experience the excitement of early spring race season which some say surpasses that of the Kentucky Derby. We hope you will want to participate.

Costs have been revised downward a little to total $400 pp (double occupancy) and $550 pp (single occupancy).

Dates and places for the two orientation sessions are:
Tuesday, **January 6** at **10:45 a.m. in the HASP classroom** immediately following the monthly meeting at Haworth

Monday, **January 12** at **10:00 a.m.** in the HASP classroom

If you are interested in the trip but unable to attend either meeting, please contact Peg VanGrouw, 392-9924, or the HASP office, 395-7919. Final payment will be due by February 27.

**HASP Office News**

- In our renewal notices this year we had an opportunity for each member to check a box indication if you would like to receive the bulletin via email. This is the first month for that to take effect. It is our hope that we got them all correct. If you are not receiving the bulletin the way you would like to, please notify Amy in the office, 395.7919, or berarducci@hope.edu.
- The HASP office will be **closed** in conjunction with Hope College campus shutdown for Christmas and New Years, Monday, December 22- Sunday, January 4th, reopening on Monday, January 5th.
- Winter weather…if **Holland Public Schools** are **CLOSED** due to weather, **HASP courses are CANCELLED**. If there are Holland Public School delays, HASP courses will continue as scheduled. In the event of such a cancellation, we will put a notice on the office voice mail system, 616.395.7919 and send out a Constant Contact email message.
- If you are interested in making a year end gift to the HASP Scholarship Fund or the HASP Endowment Fund, please send your check to the HASP office and specify in the memo which one you are contributing towards. The Hope business office will provide you with a tax receipt letter.
- HASP Directories are for members only and not meant to be shared for solicitation purposes, thank you.

**HASP MEMBERS**

Dr. Susan Dunn and her nursing research student from the Department of Nursing at Hope are looking at a possible connection between exercise and technology. They are asking if HASP members could participate by answering a ten question survey. The survey will be e-mailed to members through our Constant Contact communication sometime at the end of January or beginning February, 2015. Thanks for your assistance with student research. …..Terri Holden, MSN, RN.

**Second Semester Opportunities for Volunteering for Hope Classes**

During the fall semester, 96 HASP members volunteered for 15 out of 18 requests. **Thank you!** Here are some new opportunities for the spring semester. Please complete the form at the end of this article, drop it off at the HASP office or contact Elliot Tanis, 396-2228 or, better yet, tanis@hope.edu.

1. Professor Susanna Childress (English) is **interested in any writers** (literary or creative writers vs. commercial or genre) HASP has to talk to her Introduction to Creative Writing class about the **process and discipline of writing**. The class meets Monday and Wednesday in the Dow Center, 204, 2:00-3:50.

2. The **Hope College Model United Nations** held their final event in 2014 so no volunteers are needed.

3. Professor James DeBoer (Music) is interested in any **vocalist or instrumentalist** who is willing to work with Middle School or High School students one-to-one or in a small group at Holland Public Schools. Days and times depend on your schedule and most anything can be worked out.
4. Professor Sarah Estelle (Economics, Management & Accounting) is teaching a class about the consequences of government policy. One topic they cover is Social Security (SS). What has been your experience with SS? Some possible topics are: (1) when to retire, (2) when to claim SS, (3) taxation of SS benefits, (4) how the retiree sees working-aged people’s attitudes and expectations about SS as different than their own when they were younger, because of the state of the program. More information is available. She would like volunteers the last week of February and the class meets MWF at 11:00 a.m. in Graves Hall, room 206.

5. There will be 5 sections of Developmental Psychology so approximately 30 volunteers will be needed. Details will be given next month. HASP members usually visit in late April.

6. Professor Kathy Winnett-Murray (Biology) would welcome HASP volunteers who have a background in human health issues (broadly defined), who would be interested in providing a guest lecture in Human Biology in Health and Disease, which meets MWF 9:30 - 10:20 am. The course is for non-science majors; most students in the course are majors in Social Work and Physical Education. Lectures could (a) focus on topics in human health that the speaker has a special interest in, or (b) be a personal account on the speaker's career in a related field - a reflection on how you got there, highlights and challenges of what you did in your work, and your hopes for the future of this field.

I am willing to volunteer (indicate the Professor/event).
