MONTHLY PROGRAM

Date: Tuesday, March 3, 2015
Time: 9:00 AM refreshments, 9:30 AM program
Place: Haworth Inn & Conference Center
Program: “Co-Creating Work Experiences That Matter”
Hope College Center for Faithful Leadership; Steve VanderVeen

We were created to work. The college’s work should include helping students discern their gifts and calling, prepare for work, and transition out. That is what the Center for Faithful Leadership (CFL) is about and why it is seeking by 2025 to grow by 10-fold its co-curricular CFL Consulting and CFL Incubator programs. Learn how we will transition from our current program as an academic minor. We will also be hearing from students in the CFL Incubator program: how they are discerning their gifts and calling, preparing for work, and transitioning from college by pursuing the development of their ideas.

Steve VanderVeen is Director of the Center for Faithful Leadership at Hope College and Professor of Management. Steve earned his BA (English) from Calvin College in 1982, his MBA (Marketing) from Western Michigan University in 1985, and his Ph.D. (Consumer Behavior) from the University of Illinois at Chicago in 1995. He joined Calvin College's faculty in 1989 and taught courses in management and marketing. He joined Hope College in 2004. He became director of CFL in 2007. He currently leads the CFL Consulting and CFL Incubator co-curricular programs, and teaches entrepreneurship and leadership courses.

The 2015 HASP Review

Picture this: an empty page waiting for your idea to be put on it.
Picture this: an empty page waiting for your sketch to embellish it.
Picture this: an empty page…

The HASP Review would like your fiction, memoir, art, poetry, random humor, and a signature.

If you haven't turned in something in a year or two, please do so before April Fool's Day. It will make the 2015 Review a work to be read over and over again just because you are in it.

Second Semester Opportunities for Volunteering for Hope Classes

Thanks to all of you who volunteered for previous requests. There is still an opportunity for 3 volunteers for Developmental Psychology plus 7 physicians and/or nurses for a Sociology class. Please contact Elliot Tanis, 396-2228 or, better yet, tanis@hope.edu if you can help.

**Developmental Psychology** is a class in which you share your insights with small groups of students as you reflect on your adult years and respond to questions from the students. Still needed are two volunteers for Professor Carrie Bredow’s class on Wednesday, April 22, 9:30-10:20, and one volunteer for Professor Elizabeth Wetzler’s class on Thursday, April 23, 3:00-4:20.

Professor Temple Smith (Sociology) had three requests and two of those have been filled. We still need some hospital administrators, physicians, and nurses to share experiences with her students. Her classes meet on Friday, March 27, at 12, 1, and 2 p.m. in Van Zoeren Hall, Room 240. You may call her, (517) 214-2852, or e-mail her, tdsmith@hope.edu, if you would like additional information.
Tulip Time Trolley Guides Needed
As we look forward to spring, consider becoming a Tulip Time Trolley Guide. For over twenty three years HASP has provided the majority of trolley guides during the festival. Guides attend a half day training session in the middle of April. The training includes materials and extensive script for narrating the seventy five (75) minute tours. Guides are required to wear a Dutch costume provided by Tulip Time if they do not have one of their own.

A guide will need to be available two different days or more during the eight day festival. New guides are normally scheduled for four tours during the festival. Although we appreciate your flexibility you can somewhat choose your own schedule. Snow birds are welcomed. We will contact you in the south.

Festival week this year is from May 2nd through May 9th. For more information, please contact Larry Lynn at 399-0799 or oldrun09@gmail.com or David Tapley at 355-2538 or davidtapley@earthlink.net.

Holland Hospital- New Volunteer Opportunity
Their primary need at this time is in the Coffee Cove and Gift Shop. Both require the volunteer to use and be comfortable with a touch screen Point of Sale system and cash handling. It is a simple system that is easy to use. Duties for the Coffee Cove include brewing and serving coffee, selling various food items, and handling the POS system. Duties for the Gift Shop include stocking and maintaining merchandise and using the POS system. Please contact Larry Lynn at oldrun09@gmail.com or 399-0799 if interested.
