

WHAT CAN I DO WITH A MAJOR IN... NEUROSCIENCE?

Possible Career Options

(some career areas require advanced education)

Anesthesiologist
Audiologist
Biomedical Engineer
Clinical Psychologist
Clinical Research
Clinical Scientist
Cognitive Neurologist
Development Director
Genetic Counselor
Grants Specialist
Medical Forensics
MRI Technician
Music Therapist
Natural Sciences Manager
Neuroeconomicist Neuroengineering
Neurological Disease Specialist
Neurologist
Neuroprostheticist
Neuropsychologist
Neurosurgeon
Nurse
Nutritionist
Occupational Therapist
Pharmacist
Physical Therapist
Physician
Professor
Public Health Specialist
Radiation Physicist
Research Scientist
Scientific Journal Editor
Scientific Policy Drafter
Social Worker
Speech and Language Pathologist

WHAT CAN I DO WITH A MAJOR IN... NEUROSCIENCE?

Hope Graduates Working in the World of Neuroscience

Asst Prof of Neurology	Northwestern University
Behavioral Health Care Planner	Meridian
Biomedical Engineer	Medtronic
Director of Intraoperative Monitoring	DFW Neuromonitoring
Neurodiagnostics Technician	Boulder Community Hospital
Biomedical Engineer	Medtronic
Neurologist	JWM Neurology
Neurophysiologist	Nuvasive Clinical Service
Neurosurgeon	Thibodaux Regional Medical Center
Professor	Hope College
Registered Nurse - Neurology Unit	Mayo Clinic Hospital
Research Technician	University of Michigan
