STUDENT CHECKLIST FOR INTERNSHIP REGISTRATION

- Consult the academic department that will oversee your internship. Every department handles internships differently so it is important that you ask about any additional documentation that may be required.
- After consulting with your desired faculty supervisor, you must obtain their required signature.
- By submitting this form, you are registered for the internship as **pending placement**. Once you have secured an internship and have a site supervisor at the company, you'll need to drop the pending placement section and add the academic internship using the **Academic Internship Registration Form**. This will ensure that billing, financial aid and/or enrollment status will not be affected while searching for an internship.
- Once an internship has been secured the **Academic Internship Registration Form** must be completed and turned into the Registrar's Office as your drop/add form. *Failure to do so by the drop/add deadline (posted on the academic calendar) will result in removal from the internship.* Review your class schedule on plus.hope.edu.
- Meet with your faculty supervisor to ensure all documentation has been completed prior to starting the internship.

RELEASE OF LIABILITY

****PLEASE READ CAREFULLY BEFORE SIGNING****

I have chosen to participate in an internship work experience ("Internship"). I acknowledge and understand that there are certain dangers and risks inherent in Internship participation and travel, living arrangements and other activities associated with the Internship and that Hope College ("Hope") does not assume responsibility for losses including, but not limited to, personal injuries, death or property damage associated with or related to such activities and Hope is not an agent for, the Internship provider, the transportation carriers, facilities, or other suppliers of services in connection with the Internship.

Insurance Coverage/Decorum

I have sufficient health, accident, disability and hospitalization insurance to cover me during my Internship and I agree that the cost of such insurance and expenses not covered by this insurance are my obligations and responsibility. I have no physical or emotional problems that might impair my ability to complete the experience. I am responsible for ascertaining whether my internship provider provides worker's compensation coverage for me. I understand that I will not be entitled to unemployment compensation benefits upon completion of my internship.

Personal Conduct

I understand that the responsibilities and circumstances of my internship will require a high standard of behavior. I agree to comply with the professional standards required by the internship provider. I further understand that my conduct and performance may determine whether future internships are available to Hope students. I agree to conduct myself in a manner that does not compromise Hope in the eyes of individuals and organizations with which it has dealings, and I acknowledge Hope's authority for setting rules and interpreting conduct for this purpose. I agree that if Hope makes a decision to terminate my Internship because my conduct does not meet these standards that decision will be final and may result in the loss of academic credit. I further acknowledge and agree that I will also remain subject to rules for student conduct set forth in the student handbook.

RELEASE AND HOLD HARMLESS AGREEMENT

In consideration of being permitted to participate in the Internship, I, on behalf of my family, heirs, and personal representative(s), agree to assume all risks and responsibilities surrounding my participation in the Internship and related travel and living arrangements and release and forever discharge Hope from and covenant not to sue Hope for any and all liability for any harm, injury, damage, claims, demands, actions, causes of action, costs, and expenses of any nature whatsoever which I may have, or which may hereafter accrue to me, arising out of or related to my participation in the Internship and agree to hold Hope harmless and indemnify Hope from and against any such claim. I further agree that this Release shall be interpreted according to the laws of the State of Michigan.

THIS IS A RELEASE OF LEGAL RIGHTS.
