Campus Address
205 E. 15th Street
Holland, MI 49423

EDUCATION

Hope College, Holland, MI
Bachelor of Science in Chemistry
Minor in Classical Studies
Cumulative GPA 3.62/4.00

Expected Graduation: May 20XX

Honors: Dean's List (2/6 semesters)
Presidential Scholarship
Sigma Xi Undergraduate Research Award

SKILLS & CERTIFICATIONS

Scientific lab skills: Proficient skills in Cellular Biology, Microbiology, and Biochemistry Labs; experience with bioinformatics modeling; Clinically Relevant Microbiology by Dr. Dennis Wegner (7 contact hours)
Computer skills: UV Probe, SYSTAT, Microsoft Office, Internet Explorer
First Aid and CPR Certified

EXPERIENCE

Teaching Assistant, Hope College, Holland, MI Sept. 20XX-Present

- Worked with Organic Chemistry Discussion, Intro to Biochemistry Lab, and Organic Chemistry Lab students in order to enhance understanding of presented material.

Research Assistant, Theil Research Center, Holland, MI Feb. 20XX-Present

- Collaborated with Dr. Jack Nyenhuis in writing Latin Via Ovid (new edition), and The Architectural History of Hope College.
- Realized secretarial responsibilities such as answering the phone and sending mail, to ensure great customer service and composed work environment.

Research Assistant, Hope College, Holland, MI Sept. 20XX-Present

- Transfected cells with DNA coding GFP tagged xCT protein, then verified through Microscopy and biochemical assays and viewed in real time with Apotome Microscope.

Tutor, Hope College, Holland, MI Sept. 20XX-Present

- Tutored 2-3 students a semester in Latin 1-3, Embryology, and General Chemistry in order to aid their understanding of the material.

Adventure Counselor, Ligonier Camp, Ligonier, PA Jun. 20XX-Aug. 20XX

- Instructed 20 campers daily on rock climbing, caving, white water rafting.
- Facilitated adventure activities by ensuring appropriate gear was available and properly used.

Counselor in Training-CIT, Ligonier Camp, Ligonier, PA Jun. 20XX-Aug. 20XX

- Cared for 8-10 campers weekly in order to support the counselor.
- Maintained camp facilities (washing dishes, cleaning bathrooms, sweeping, etc.) in order to ensure a clean environment.

COLLEGE INVOLVEMENT

Pre-Professional Alpha Epsilon Delta Society, Member
Classical Eta Sigma Phi Society, President
Chemistry Club, Member

Sept. 20XX-Present
Nov. 20XX-Jan. 20XX
Oct. 20XX-May 20XX
