1234 West Stocking Dr., Holland, MI 49423  
amanda.thomas@gmail.com, 616-243-4545

---

## EDUCATION

**Hope College** – Holland, MI

Expected Graduation: May 20XX

Bachelor of Science in Chemistry (A.C.S. Certified)

GPA: 3.6/4.0

Dean's List 5/5 semesters

Awards: Undergraduate Research Award, Visser Research Fellowship

## RELEVANT EXPERIENCE

### Information Analyst

The Dow Chemical Company – Midland, MI

May 20XX-Present

- Develop and implement methods to improve the Dow Registry of Chemical Substances (a global computer database)

### Teaching Assistant

Hope College – Holland, MI

Jan.20XX-May 20XX

- Prepared for and taught an upper level chemistry laboratory for 30 undergraduate students

### Undergraduate Research Assistant

Hope College – Holland, MI

Aug. 20XX-May 20XX

- Entrusted with the characterization of a newly cloned suspected receptor for the Arginine-Vasopressin hormone

## ADDITIONAL WORK EXPERIENCE

### Secretary

Saugatuck Center for the Arts – Saugatuck, MI

Sept. 20XX-20XX

- Communicated with around 10 incoming visitors daily by greeting them and giving tours
- Responded to inquiries, assisted with course registration, organized files, and completed sales transactions

## POSTERS

“Amplification and Isolation of the Promoter Region of the Vasopressin Activate Calcium Mobilizing Protein (VACM-1)” L. Hesse, V. Folta, and M. Burnatowska-Hledin 20XX

- National Conference on Undergraduate Research
- Sigma Xi
- Undergraduate Research Symposium

“Characterization of a Novel Vasopressin-Activated Calcium-Mobilizing (VACM-1) Receptor” M. Burnatowska-Hledin, K. Parmelee, P. Zhao, V. Folta, L. Listenberger and A. Sharagnpani 20XX

- FASAB Experimental Biology 20XX

## COLLEGE ACTIVITIES

- Chemistry Club
- New Student Orientation Assistant 20XX
- Hope College Admissions Department 20XX
- Nykerk (Women's Competitive Performing Arts Event) 20XX
- Habitat for Humanity (Hope College Chapter) 20XX
