College Affordability and Transparency Center's lists

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the entered information can be understood easily by students, parents, and the general public.

Section 1: Comparison Chart**Comparison Chart**

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note: Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

IPEDS Student Financial Aid (SFA) Survey Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution’s Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution’s CEO in November 2016.

Screen: Part C - Enter Information about Group 2

Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 495 and 741 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	For the 2015-16 school year we had less students eligible for the TEACH Grant resulting in a lower amount of students and dollars expended in this category. This was enough to bring the average down below the expected range.
