If this has been checked the user has already been validated

9. How many of your total reported U.S students studying abroad for academic credit also participated in experiential learning activities to include: research or field work, volunteering or service learning, internships and work abroad, and other experiential activities as part of their study abroad experience? The experiential learning activity could be for credit or not-for-credit.

If the experiential activity spans multiple categories, place the student in the primary classification where the student spent the most time.

Response

Work or Internships

5

Research or Field Work

Volunteering or Service Learning

Other Experiential Activities

Response

Unknown Type of Experiential Activities

Total 5

10A. Did you have U.S. students enrolled at your institution that went abroad exclusively on non-credit experiential learning activities from Fall 2016 through Summer 2017?

These students would not be included in your overall study abroad total nor included in your data in other questions.

Response

No

How many of your total reported U.S. study abroad students studied abroad under the following types of programs?

Instructional Note: Students who studied abroad on more than one program should be counted more than once in this section (e.g., if a student studied abroad for one semester in Italy on a program sponsored by your institution, and then participated in a separate six-week summer program sponsored by an independent provider, count the student once in row A and once in row B of this section.)

Response

A. Administered or managed completely by your own institution (including bilateral exchanges with foreign universities) regardless of whether you give direct credit 244

B. Organized or sponsored by other institutions or providers regardless of whether you give direct credit 82

C. Do not know
