Hope equipped me to be aware of Christian ideas and theological perspectives when thinking through decisions and complex issues.			During my time at Hope, I connected one-on-one with a faculty or staff member about my future vocational path.			Hope met my expectations for spiritual growth during my college years.			Hope educated me for a life of service

Hope educated me for a life of leadership

Hope educated me for life in a global society

My professors cared about me as a person

I had a mentor who encouraged me to pursue my goals and dreams

I worked on a project that took a semester or more to complete

I had an internship or job that allowed me to apply what I was learning in the classroom

I was active in extracurricular activities and organizations

My Hope education was worth the cost
