I am interested in receiving financial aid for summer term from the following sources:

(Please check ALL that apply)

\_\_\_\_\_ **Federal TEACH Grant.** I have reviewed the TEACH Grant requirements and believe I am eligible.

\_\_\_\_\_ **Federal Direct Loan.** I am enrolling in at least **6 credit hours** and have additional Federal Direct Loan eligibility available for the summer 2017 term.

\_\_\_\_\_ **Federal Direct PLUS Loan.** I am enrolling in at least **6 credit hours** and my parent will apply for the Federal Direct PLUS Loan. Parents must submit the PLUS application electronically for the summer period in which you will be enrolled (available at studentloans.gov).

\_\_\_\_\_ **Private Education Loan.** I am applying for a private educational loan (not PLUS Loan) and have submitted my application to the lender.

If you are eligible for the **Federal Pell Grant** in summer, the Office of Financial Aid will automatically award it to you.

Once your aid has been processed we will send a notice to your Hope email address. You can view your summer aid on KnowHope Plus under the Financial Aid section. All summer aid is credited to the May 2017 term. Grant and loan funds credit directly to your student account.

**I understand that my aid may be adjusted if I change enrollment for any of the summer terms or do not start classes in a term. TEACH Grants and Direct Loans are subject to meeting satisfactory academic progress requirements at the end of spring semester.**

Private loans and the Federal Direct PLUS Loan are available to help meet the costs of your summer studies. These loans charge interest while you are enrolled; however, they offer deferral on principal and/or interest payments. Information about Private Loans and Federal Direct PLUS Loans are available at [hope.edu/financialaid](http://hope.edu/financialaid).

***Application processing can take up to three weeks. If you need these funds prior to the start of classes, we STRONGLY ENCOURAGE you to submit your application materials as soon as possible.***

If you are studying abroad and have higher costs, you must complete the **Summer Expense Sheet** as well as the appropriate loan application. Submit the Expense Sheet to the Office of Financial Aid after you have applied for the private loan through the lender or your parent has submitted the PLUS application electronically.
