The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students at your institution.

**Changes to This Year's SFA Component**

- Revisions to Cost of Attendance used to calculate the Net Price of Attendance can now be made in this component.

**Data Reporting Reminders****Groups**

Throughout this component, you will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students

**College Affordability and Transparency Lists**

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

**Interactive Edits and Error Messages**

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

**Context Boxes**

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.
