**MONTHLY PROGRAM**    *Monthly Program Chair: Dave Vanderwel, [dvanderwel@chartermi.net](mailto:dvanderwel@chartermi.net), 616.738.9471*

Date:            **Tuesday, April 2, 2019**

Time:            **9:00 AM refreshments, 9:30 AM program**  
(We will be around tables for the program and coffee may be taken to your table.)

Place:           **Holland Civic Center Place**, 150 West 8<sup>th</sup> Street, Holland.  
**(NOTE: change in meeting location!)**

Program: **Gwen Auwerda, Executive Director of Tulip Time, “Tulip Time through the Years”**

2019 marks the 90<sup>th</sup> anniversary of Tulip Time, the annual spring festival which has put Holland, Michigan, on the map for many around the world. 5 million tulips planted along Tulip Lane and throughout the city are the focal point, but Tulip Time has become so much more than flowers.

Join us for the April monthly program when Tulip Time’s executive director, Gwen Auwerda, takes us behind the scenes and shares with us some of the history of Tulip Time, how the organization functions, the strategic partners who make it all possible (including our very own HASP tour guides!), and some of the new initiatives created to expand the festival. You’ll hear stories from entertainers, celebrate the growth of its scope, and better understand what it takes to produce the festival that so significantly impacts our community every May.

Gwen Auwerda assumed responsibility as the Executive Director of Tulip Time in March of 2011. She is responsible for planning and executing this internationally recognized festival celebrating tulips, Dutch Heritage, and community. The festival has been recognized as one of the top 100 events in North America by the American Bus Association for over 30 years & named the Best Flower Festival by USA Today. In 2011 she joined the World Tulip Summit Society and accepted the award as the World Tulip Festival of the year in 2017.

Prior to joining Tulip Time, Gwen graduated from Hope College and enjoyed a long-standing career in Human Resources at Johnson Controls responsible for employee relations, mergers & acquisitions planning and leadership development.

Auwerda has been actively involved in the Holland community for a number of years. She is currently serving on the Holland Hospital and Holland Visitor’s Bureau board of directors and is the chair of the Lakeshore Non-profit Alliance. Gwen supports additional committees, Dutch Heritage Coordinating Council and Holland in Bloom through the City of Holland.

**Coming Next:**

**May 7:** (at the Knickerbocker Theatre) Ben Kant, Master Grower at Revolution Farms, on the process of growing produce through aquaponic farming.

## **New Member Orientation**

The next New Member Orientation will be held **Tuesday, May 7**, in the HASP classroom, immediately following the monthly meeting. If you joined HASP since November you will be receiving an email invitation and details. If you became a member previously but have not had the opportunity to attend an orientation, we encourage you to join us as well. This informal gathering is a time to meet other new members, enjoy a light brunch, and learn more details about all the opportunities available through HASP membership.

Our May monthly meeting will be held in the Knickerbocker Theater and the classroom is upstairs in the same building, suite 270. For those unsure of location, there will be a member of the Membership Committee in the lobby after the meeting to escort you. Please remember to make your reservation with Kim or Amy so we can plan to include you.

### **Note from the Curriculum Chair**

The Curriculum Committee recently hosted two tutorials for prospective speakers, in which we tried to inform HASP members about the steps one takes to present a HASP course. Several members attended and we anticipate some of them will present courses in the near future that will be of interest to you. Even if you were unable to attend one of the tutorials please be assured that the Curriculum Committee welcomes course proposals at any time. The paper-work can be obtained from the HASP office, and the proposals can be e-mailed or given to the HASP office or to members of the various curriculum Sub-committees.

The Curriculum Committee will meet during April to review proposals that have been submitted for the Summer term, and to set the schedule. The term will run from June 17 through August 15.

#### ***NOONTIME/Brown Bag SERIES on Friday, April 12, 12noon-1pm ~ HASP Classroom***

**This is a 1x month, free HASP event – no registration required**

**Note Change of Date:** *The HASP Brown Bag session for April will be held on the 2<sup>nd</sup> Friday in April, April 12, from 12 noon to 1 pm, rather than the usual 3<sup>rd</sup> Friday due to Easter Good Friday.*

It is a pleasure to hear often from speakers for HASP events that HASP members are keenly interested in issues that are likely to impact the quality of life in Holland and articulate their questions and interest about these in their dialogue with presenters. The April Brown Bag offers one such opportunity for HASP members, particularly important because of a May 7 election.

Since 1968, the Holland community has relied on Holland Community Aquatic Center (HCAC) for access to high-quality natatorium facilities for swimming instruction, competitive swimming, community wellness, and access for leisure swimming and play.

Over the past decade, steady growth across all of HCAC's programs has brought the facility to capacity, making it

difficult to balance simultaneous uses. An expansion and renovation are necessary to ensure everyday access for all ages and families. Working with experts in community-based aquatics programming, HCAC has identified several critical opportunities for improvement, and has developed a practical and strategic plan for expansion and renovation. HCAC is looking to add warm-water leisure access and a lap pool, updated wellness spaces, increased spectator seating and mechanical improvements to meet these strategic needs.

Holland has a reputation for doing things the right way. This expansion and renovation is a sustainable, long term solution to meet the needs of our rapidly growing community for the next 20 years. Jack Huisingh , Executive Director for HCAC, will expand on these points and more during his presentation to HASP.

Jack Huisingh joined HCAC in 2013 after 15 years with Johnson Controls. He's active in our community, and served on the Holland Public School Board from 2006 through 2015. Jack is passionate about swimming and community wellness. He is a former competitive swimmer, and became connected to the pool early on as a student at Holland Public Schools.

Please join us in the HASP classroom on Friday, April 12 at noon to hear about HCAC.

### **Help feed hungry kids**

Every week day, Kids' Food Basket provides a "sack supper" to over 960 local low-income elementary school kids. The absence of snow birds has impacted their ranks, so they're looking for volunteers. To read more about their work, check their site [www.kidsfoodbasket.org](http://www.kidsfoodbasket.org) . To volunteer, click <https://hollandkfb.volunteerhub.com> . There you can create an account and select a time to help—for as little as one hour—at 389 James St. (back half of Peace Lutheran Church). Please email Jane Berkey with questions or help with registering at [jane@kidsfoodbasket.org](mailto:jane@kidsfoodbasket.org).

-----

Volunteers are needed to provide companionship and bereavement support and to work directly with patients and families. Volunteers receive orientation through our Hospice Orientation Program. Especially needed are those who can help with visiting, caregiver relief, errands, transportation, providing music, creating artistic remembrances (scrapbook, memory box, etc.). Read more and volunteer here: <https://www.hollandhospice.org/volunteer-opportunities/>.

### **Volunteering for Tulip Time**

#### **NEW: HASP Special Events Cancellation Policy**

As a result of the August 2013 audit, and due to an increase in cancellations, the HASP audit committee recommended to the Board of Directors and Special Events Committee that a cancellation policy be adopted. After discussion within the committee and approval by the Board of Directors (in December) the following cancellation policy took effect **January 1, 2014**:

Special Event cancellation fee is \$5.00 or 10% (whichever is greater) of the event per registration, regardless of the reason or timing of the cancellation.

The Special Events Committee and HASP office will do their best to refund remaining money to members working with the following established policy:

- 1) Substitutions will be taken in order from the 'wait list' if one exists.
- 2) If no wait list exists, upon completion of the activity, any contractual costs we were not able to get refunded will be subtracted from the base price, along with the cancellation fee, and the remainder (if any) will be refunded.
- 3) No refunds will be made to 'no shows' or cancellation within 24 hours of departure.

**May ~ Annual Spring Fling at Grace Episcopal Church**

**Thursday, May 16, 2019**

**5:30 pm- 7:30 pm**

**Cost: free**

What's new about the HASP Spring Fling? First, it will be in May this year not April so we can include ALL of the snow birds! Second, the venue will not be Macatawa Bank, as they are no longer able to allow outside groups to use the "community room" for security reasons. Fortunately, we have found a great new venue at Grace Episcopal Church, 555 Michigan Ave. Third, the committee has planned some fun new surprises to help us mix and mingle. If you have never attended before, we hope you will join us for the first time!

The purpose of Spring Fling has always been to enjoy a relaxing time of fellowship with HASP members and get to know members you have not yet met. We ask that you bring either an appetizer or finger dessert to share (homemade or store bought). This results in a very delightful cocktail hour with a glass of wine, punch or coffee provided by HASP.

The email containing your online invitation was sent out on February 28. Space is limited to 150. Please call the office if you can't find the invite to RSVP so that we can plan accordingly. If you have further questions you can contact Judie Zylman at 616.566.0412 or jazie3@gmail.com.

We will start the day with the Grand Tram tour which will guide us around the entire Garden grounds, including such highlights as 81 acres of lakes, nine islands, and panoramic view of beautiful gardens. In all there are 27 gardens and four natural areas which include a Japanese Garden, an English Walled Garden, rose gardens, waterfalls, farm gardens, natural prairie and more. This will give you ideas of what you would like to view during your free time in the

afternoon. In addition, you will have a choice of viewing either the Butterflies and Blooms exhibit located in a 2,800 square foot enclosure on the learning campus filled with 500 butterflies native to North and South America and Africa as well as Illinois OR the Model Train Garden (7,500 square feet including 1,600 feet of track) which highlights Chicago sights and major landmarks in America during your visit.
