for correspondence and Study Guides

Parent / Guardian Names _____

Parent / Guardian contact phone number _____

** for Emergency purposes on the day of the Competition

We understand that this is a voluntary competition, intended to challenge my child and allow him/her the opportunity to participate in a competition with other students who have a similar passion for mathematics. My child's score in this competition will not have any effect on their PATH grade, or math grade received from their school.

I understand that there is a \$20 non-refundable registration fee, payable with this registration. (Checks made payable to PATH – Hope College) This fee indicates my commitment to my child participating in the competition on November 12th. (Please notify the PATH office if you are in need of a scholarship to cover this cost). Students must be present on the test date, November 12, 2019 from 4 – 5:30 p.m. to be allowed to participate, no alternate dates or times are allowed for the competition.

****Accommodations can be made for students who have 504 plans that require special testing circumstances – please be sure to notify us prior to the competition day.**

A practice session will be held on Tuesday, October 29, 2019. Attendance is optional for this practice session. All participants must be registered by Tuesday, November 5, 2019 to participate in the competition on November 12, 2019.
