

Tuesday Tidings #1

**WELCOME!**

Greetings and welcome! Every Tuesday throughout the summer, a "Tuesday Tidings" message from Academic Advising about advising and registration information will be sent to your Hope email. This is the first!

NEW STUDENT ADVISING DAYS

There are two *optional* [New Student Advising Days](#) designed for students and families to advise you on the registration process as well as introduce you to academic advisors, student leaders, and programs at Hope College.

You are invited to sign up for one of the the half-day programs on either Saturday, June 10 or Friday, June 16.

No problem if cannot make it, won't be in the area, or if you simply are comfortable digesting the registration information on your own. We will keep you well informed with each week's Tuesday Tidings as well as post video and resources from the events. And you are always welcome to call or email with questions.

REGISTRATION

We are sure you are eager to get started in thinking about your first semester classes! In next week's Tuesday Tidings we will send you the first-year registration resources. For now, enjoy the holiday weekend and any high school and graduation celebrations you will attend. We will dive into class registration materials next week!

LANGUAGE PLACEMENT

You should have already received an e-mail earlier this week from from Hope's Department of Modern and Classical Languages with your recommended language placement. You will want this information accessible next week when we send you the registration materials. The registration materials will include additional tips and options regarding language classes. In the meantime, for any questions about your language placement, contact Mandy Stephenson in the Department of Modern and Classical Languages at 616.395.7570 or stephensona@hope.edu.
