

**Happy Tuesday! We hope you had a great holiday weekend.**

## **REGISTRATION**

Today we want to highlight the [first-year registration resources](#) pages. These pages have lots of information about selecting your fall classes.

Your online "Registration Worksheet" (the form which will include your requested courses) is found in these resources.

### **How does the registration process work?**

1. You read through the first-year registration materials.
2. You send us your course preferences on the [registration worksheet by June 21](#).
3. Hope staff take time to review your course preferences and individually build your schedule.
4. By July 28 your schedule will be shared with you on your [plus.hope.edu](#) account (we'll send you an e-mail to let you know how to view it).

## **REGISTRATION TIPS**

### **Submit anytime between now and Wednesday, June 21.**

There is no priority for students who submit their registration worksheet before the deadline. We will look at all the requests at the same time after June 21.

### **Start right away, but take your time with the materials.**

Initially you will want to set aside 1-2 hours to read through the registration materials. Seriously, set aside 1-2 hours!

We know there is LOTS of information in those pages, and we welcome and expect lots of questions. But we have many majors, classes, and opportunities, and we want you as an incoming college student to take the lead in learning about and deciding among those many wonderful options. There is no extra quick way to sift through the materials. So, your first step is to commit some time to carefully read through the [first-year registration website](#) step by step. It is a good idea to take notes while you are reading and to write down courses that you are interested in as well as questions you have.

## QUESTIONS?

We love hearing from you. Talking with you is the best part of our jobs!

If you have questions or concerns you can e-mail or call Academic Advising ([advising@hope.edu](mailto:advising@hope.edu), 616.395.7840) or attend one of the *optional* [New Student Advising Days](#).

## NEW STUDENT ADVISING DAYS - RSVP
