

Tuesday Tidings #5 6-20-17

Greetings! There is one day remaining for incoming first-year students to submit their registration worksheets. Some related resources and reminders are below.

REGISTRATION WORKSHEETS DUE: Wednesday, June 21, 5pm

OVERVIEW OF REGISTRATION PROCESS

1. You read through the [first-year registration resources](#) (set aside a couple hours).
2. You send us your course preferences on the [registration worksheet by June 21](#).
3. Hope staff take time to review your course preferences and individually build your schedule.
4. By July 28 your schedule will be shared with you on your plus.hope.edu account (we'll send you an e-mail to let you know how to view it).

REGISTRATION REMINDER: Submit back up courses. You'll only be registered for 14-16 credits, but we need you to submit an additional handful of courses beyond your preferred 14-16 credits to ensure we have enough options to build you a schedule that fits well together.

DOUBLE CHECK YOUR REGISTRATION WORKSHEET

Did you know you can log back into your registration worksheet and make changes (until Wednesday June 21 at 5pm)? We encourage you to log in and take a quick look to verify your selections.

AP CREDIT

If you have AP, IB or transfer credit, review [those pages](#) to see how your score/course corresponds to Hope credit. This will help you choose the appropriate level for your courses. If you aren't sure of your AP/IB score, you can leave the score blank on the worksheet. We will review it before we make your schedule. Many AP scores are received by our office in July after the registration worksheet is due. A future message will alert you when we have received AP scores and will advise you on how to review your credit and how to make any related changes to your course requests.

TRANSFER CREDIT

We have processed much of the college transfer credit we have received. As we receive transcripts, credit is placed on your record. Click [here](#) for instructions for how to check if we have your transfer credit on your record. If you do not see awarded credit and have already sent an official transcript, e-mail registrar@hope.edu to check on the status of your transcript.

As always, please let us know if you have any questions. Talk with you soon,
