Notice of HIPAA Privacy Practices for Protected Health Information

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice is effective as of September 23, 2013.

The ACE Group of Companies, as affiliated covered and hybrid entities, (the "Company") is required by law to take reasonable steps to ensure the privacy of your personally identifiable health information, and to inform you about:

- The Company's uses and disclosures of Protected Health Information ("PHI")
- Your privacy rights with respect to your PHI;
- The Company's duties with respect to your PHI;
- Your right to file a complaint with the Company and to the Secretary of the U.S. Department of Health and Human Services ("HHS"); and
- The person or office to contact for further information regarding the Company's privacy practices.

PHI includes all individually identifiable health information transmitted or maintained by the Company, regardless of form (e.g. oral, written, electronic).

A federal law, the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), regulates PHI use and disclosure by the Company. You may find these rules at *45 Code of Federal Regulations* Parts 160 and 164. This notice attempts to summarize the regulations.

The regulations will supersede any discrepancy between the information in this notice and the regulations.

I. Notice of PHI Uses and Disclosures

A. Required Uses and Disclosures

Upon your request, the Company is required to give you access to certain PHI in order to inspect and copy it.

Use and disclosure of your PHI may be required by the Secretary of Health and Human Services to investigate or determine the Company's compliance with the privacy regulations.

B. Uses and Disclosures to Carry Out Treatment, Payment, and Health Care Operations

The Company and its business associates will use PHI without your consent, authorization or opportunity to agree or object to carry out treatment, payment and health care operations. The Company also may also disclose PHI to a plan sponsor for purposes related to treatment, payment and health care operations and as otherwise permitted under HIPAA to the extent the plan documents restrict the use and disclosure of PHI as required by HIPAA.

Treatment is the provision, coordination or management of health care and related services.

It also includes but is not limited to consultations and referrals between one or more of your providers. For example, the Company may disclose to a treating orthodontist the name of your treating dentist so that the orthodontist may ask for your dental X-rays from the treating dentist.

Payment includes, but is not limited to, actions to make coverage determinations and payment (including establishing employee contributions, claims management, obtaining payment under a contract of reinsurance, utilization review and pre-authorizations). For example, the Company may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Company.

Health care operations include, but are not limited to, underwriting, premium rating and other insurance activities relating to creating or reviewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general administrative activities. For example, the Company may use information about your claims to refer you to a disease management

program, project future benefit costs or audit the accuracy of its claims processing functions. The Company will not use or disclose PHI that is genetic information for underwriting purposes.

The Company also may contact you to provide appointment reminders or information about treatment alternatives or health-related benefits and services that may be of interest to you.

C. Uses and Disclosures that Require Your Written Authorization

The Company will not use or disclose your PHI for the following purposes without your specific, written authorization:

- Use and disclosure of psychotherapy notes, except for your treatment, Company training programs, or to defend Company against litigation filed by you.
- Use and disclosure for marketing purposes, except for face to face communications with you.
- Use and disclosure that constitute the sale of your PHI. The Company does not sell the PHI of its customers.

Except as otherwise indicated in this notice, uses and disclosures of PHI will be made only with your written authorization subject to your right to revoke such authorization. You may revoke an authorization by submitting a written revocation to the Company at any time. If you revoke your authorization, the Company will no longer use or disclose your PHI under the authorization. However, any use or disclosure made in reliance of your authorization before its revocation will not be affected.

D. Uses and Disclosures Requiring Authorizations or Opportunity to Agree or Disagree Prior to the Use or Release

If you authorize in writing the Company to use or disclose your own PHI, the Company may proceed with such use or disclosure without meeting any other requirements and the use or disclosure shall be consistent with the authorization.

Disclosure of your PHI to family members, other relatives or your close personal friends is allowed if:

- The information is directly relevant to the family or friend's involvement with your care or payment for that care; and
- You have either agreed to the disclosure or have been given an opportunity to object and have not objected.

E. Uses and Disclosures for which Consent, Authorization or Opportunity to Object is Not Required

Use and disclosure of your PHI is allowed without your authorization or request under the following circumstances:

- (1) When required by law.
- (2) When permitted for purposes of public health activities, including when necessary to report product defects and to permit product recalls and to conduct post-market surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.
- (3) When authorized by law to report information about abuse, neglect or domestic violence. In such case, the Company will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives although there may be circumstances under federal or state law where the parents or other representatives may not be given access to the minor's PHI.
- (4) The Company may disclose your PHI to a public health oversight agency for oversight activities authorized by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).
- (5) The Company may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Company that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or were resolved in favor of disclosure by the court or tribunal.

- (6) When required for law enforcement purposes (for example, to report certain types of wounds).
- (7) For law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Also, when disclosing information about an individual who is or is suspected to be a victim of a crime but only if the individual agrees to the disclosure or the covered entity is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement and disclosure is in the best interest of the individual as determined by the exercise of the Company's best judgment.
- (8) When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.
- (9) The Company may use or disclose PHI for government-approved research, subject to conditions.
- (10) When consistent with applicable law and standards of ethical conduct if the Company, in good faith, believes the use of disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.
- (11) For certain government functions such as related to military service or national security.
- (12) When authorized by and to the extent necessary to comply with workers' compensation or other similar programs established by law.
- (13) That is "incident to" an otherwise permitted use or disclosure of PHI by the Company.

II. Rights of Individuals

A. Right to Request Restrictions on Use and Disclosure of PHI

You may request the Company to restrict its use and disclosure of your PHI to carry out treatment, payment or health care operations, or to restrict its use and disclosure to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. However, the Company may not be required to agree to your request, unless you have paid out of pocket in full for services, depending on the specific facts.

The Company will accommodate reasonable requests to receive communications of PHI by alternative means or alternative locations, such as a location other than your home. The Company will accommodate this request if you state in writing that you would be in danger from receiving communications through the normal means.

You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI.

Such requests should be made to: ACE US Customer Services, 436 Walnut Street, Philadelphia, PA 19106, 1-800-352-4462.

"*Protected Health Information*" (PHI) includes all individually identifiable health information transmitted or maintained by the Company, regardless of form.

"*Designated Record Set*" includes the medical records and billing records about individuals maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan; or other information used in whole or in part by or for the covered entity to make decisions about individuals. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

The requested information will be provided within 30 days if the information is maintained on site or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Company is unable to comply with the deadline.

If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a description of how you may exercise those review rights and a description of how you may complain to the Secretary of Health and Human Services.

C. Right to Amend PHI

You have the right to request the Company to amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set.

The Company has 60 days after the request to act on the request. A single 30-day extension is allowed if the Company is unable to comply with the deadline. If the request is denied in whole or part, the Company must provide you with a written denial that explains the basis for the denial. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI.

Requests for amendment of PHI in a designated record set should be made to: ACE US Customer Services, 436 Walnut Street, Philadelphia, PA 19106, 1-800-352-4462.

You or your personal representative(s) will be required to complete a form to request amendment of the PHI in your designated record set.

D. Right to Receive an Accounting of PHI Uses and Disclosures

Upon your request, the Company will provide you with an accounting of disclosures by the Company of your PHI during the six (6) years prior to the date of your request. However, such accounting need not include PHI disclosures made: (1) to carry out treatment, payment or health care operations; (2) to individuals about their own PHI; (3) prior to the compliance date; or (4) based upon your own written authorization.

If the accounting cannot be provided within 60 days, an additional 30 days is allowed if the individual is given a written statement of the reasons for the delay and the date by which the accounting will be provided.

If you request more than one accounting within a 12-month period, the Company will charge a reasonable, cost-based fee for each subsequent accounting.

E. Right to Obtain a Paper Copy of This Notice Upon Request (Even if you have consented to receive this notice electronically)

To obtain a paper copy of this notice contact: ACE US Customer Services, 436 Walnut Street, Philadelphia, PA 19106, 1-800-352-4462.

F. Note About Personal Representatives

You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- A power of attorney for health care purposes, notarized by a notary public;
- A court order of appointment of the person as the conservator or guardian of the individual; or
- An individual who is the parent of a minor child.

The Company retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.

III. The Company's Duties

The Company is required by law to maintain the privacy of PHI and to provide individuals (participants and beneficiaries) with notice of its legal duties and privacy practices and to notify affected individuals of a breach of unsecured PHI. The Company is required to abide by the terms of this notice.

The Company reserves the right to change its privacy practices and to apply the changes to any PHI received or maintained by the Company prior to that date. If a privacy practice is changed, a revised version of this notice will be provided to all past and present participants and beneficiaries for whom the Company still maintains PHI. This notice and any revised version of this notice will be posted on the Company's internal website or mailed.

Any revised version of this notice will be distributed within 60 days of the effective date of any material change to the uses or disclosures, the individual's rights, the duties of the Company or other privacy practices stated in this notice.

A. "Minimum Necessary" Standard

When using or disclosing PHI, or when requesting PHI from another covered entity, the Company will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations.

This insurance does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit Us from providing insurance, including, but not limited to, the payment of claims.

CLAIM PROVISIONS

Notice Of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

Proof Of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, should proof of loss be sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment Of Claims: Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

Payment Of Claims: If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary our records indicate the Insured designated for these plan benefits.

If there is no named beneficiary or surviving beneficiary on record with us or Our authorized agent, We pay benefits in equal shares to the first surviving class of the following: 1) Spouse; 2) Children; 3) Parents; 4) Brothers and sisters. If there are no survivors in any of these classes, We will pay the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured employee or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

"Country" includes any political jurisdiction that independently regulates the licensing of insurance companies.

"License" or "Licensed" means with respect to any Country, authorized or otherwise permitted in accordance with applicable law to conduct the business of accident and sickness insurance in such Country.

Facility of Payment: If the Policy provides coverage, limits or conditions that are broader in meaning or scope than those of a Locally Admitted Policy providing insurance to a Covered Person who resides outside of the United States, its territories and possessions, then subject to the "Payment of Claims" subsection, this Policy will pay benefits for a Covered Loss on an excess basis to the extent of the difference in any coverage, conditions or limits in the policies. Any payment made under this Policy will be governed by the limitations, exclusions and other terms and conditions of the Policy. In no event will the coverage afforded under this Policy, in combination with such additional Locally Admitted Policy, exceed the benefits payable under this Policy.

"Locally Admitted Policy" means an insurance policy that is issued by Us or requested by Us or Our affiliated insurance company to be issued to your or one of your subsidiary or affiliated entities in a Country other than the United States, its territories and possessions.

Beneficiary: The Insured may designate a beneficiary. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

The Insured is the beneficiary for any covered Dependent.

Assignment: At the request of the Insured or his or her parent or guardian, if the Insured is a minor, medical benefits may be paid to the provider of service. Any payment made in good faith will end our liability to the extent of the payment.

Physical Examinations And Autopsy: We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

Legal Actions: No lawsuit or action in equity can be brought to recover on this Policy: (1) before 60 days following the date proof of loss was given to Us; or (2) after 3 years following the date proof of loss is required.

ADMINISTRATIVE PROVISIONS

Premiums: The premiums for this Policy will be based on the rates currently in force, the plan and amount of insurance in effect.

Changes In Premium Rates: We may change the premium rates from time to time with at least 31 days advanced written, or authorized electronic or telephonic notice. No change in rates will be made until 12 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12-month period. However, We reserve the right to change rates at any time if any of the following events take place.

1. The terms of the Policy change.
2. A division, subsidiary, affiliated organization or eligible class is added or deleted from the Policy.
3. Any federal or state law or regulation is amended to the extent it affects Our benefit obligation.
4. There is a change in the market factors or factors bearing on the risk assumed.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Payment of Premium: The first Premium is due on the Policy Effective Date. If any premium is not paid when due, the Policy will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period: A Policy Grace Period of 31 days will be granted for the payment of the required premiums. The Policy will remain in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last Premium

Due Date on which required premiums were paid. The Policyholder will be liable to Us for any unpaid premium for the time the Policy was in force.

GENERAL PROVISIONS

Entire Contract; Changes: The Policy (including any endorsements or amendments), the signed application of the Policyholder, and any individual applications of Covered Persons, are the entire contract. Any statements made by the Policyholder or Covered Persons will be treated as representations and not warranties. No such statement shall void the insurance, reduce the benefits, or be used in defense of a claim for loss incurred unless it is contained in a written application.

To be valid, any change or waiver must be in writing (or authorized electronic or telephonic communications). It must be signed by our president or secretary and be attached to the Policy. No agent has authority to change or waive any part of the Policy.

Policy Effective Date And Termination Date: The Policy begins on the Policy Effective Date shown on page 1 of the Policy. We may terminate this Policy by giving 31 days advance notice in writing (or authorized electronic or telephonic means) to the Policyholder. The Policyholder may terminate this Policy on any Premium Due Date by giving 31 days advance written (or authorized electronic or telephonic) notice to Us. This Policy terminates automatically on the earlier of: 1) the last day of the Policy Term; or 2) the Premium Due Date if Premiums are not paid when due. Termination takes effect at 12:00 a.m. (midnight) at the Policyholder's address on the date of termination.

Clerical Error: If a clerical error is made, it will not affect the insurance of any Covered Person. No error will continue the insurance of a Covered Person beyond the date it should end under the Policy terms.

Examination Of Records And Audit: We shall be permitted to examine and audit the Policyholder's books and records at any time during the term of the Policy and within 2 years after the final termination of the Policy as they relate to the premiums or subject matter of this insurance.

Certificates Of Insurance: Where it is required by law, or upon the request of the Policyholder, We will make available certificates outlining the insurance coverage and to whom benefits are payable under the Policy.

Conformity With State Laws: On the effective date of this Policy, any provision that is in conflict with the laws in the state where it is issued is amended to conform to the minimum requirements of such laws.

Not In Lieu Of Workers' Compensation: This Policy is not a workers' compensation policy. It does not provide workers' compensation benefits.

War Risk Benefit Rider

Policy Number: GLM N05660889

Effective Date: August 1, 2016

For: Hope College

Rider #: 2

This Rider form is made a part of the Policy to which it is attached as of the Effective Date shown above. If no Effective Date is shown, this Rider takes effect as of the Policy Effective Date. It applies only to Covered Accidents that occur on or after that date. This form is subject to all of the terms, limitations, and exclusions of the Policy, except as they are changed by it.

In return for payment of the required premium, the Policy is changed as follows.

The war exclusion is deleted to the extent coverage is provided by the terms and conditions described in this Rider. We will pay benefits as described in the Policy for Losses resulting from a Covered Accident caused by war or acts of war.

The Covered Accident may occur anywhere in the world, except the following countries:

- The United States
- The Covered Person's Home Country
- The Covered Person's Country of Permanent Assignment
- Specific Countries: Afghanistan, Algeria, Burkina Faso, Central African Republic, Chad, Chechnya, Democratic Republic of Congo, Egypt, Guinea, India (Jammu & Kashmir), Iraq, Israel (West Bank & Gaza Strip), Israel's Remaining Occupied Territories, Ivory Coast, Lebanon, Libya, Mali, Nigeria, Pakistan, Somalia, Sudan, Syria, Thailand (Narathiwat, Pattani, Songhla & Yala Provinces), Ukraine & Yemen.

"Home Country" means a country from which the Covered Person holds a passport. If the Covered Person holds passports from more than one Country, his or her Home Country will be the country that he or she has declared to Us in writing as his or her Home Country.

"Country of Permanent Assignment" means a country, other than a Covered Person's Home Country, in which the Policyholder requires a Covered Person to work for a period of time that exceeds 180 continuous days.

Total Limit of Liability: We will not pay more than \$3,750,000 per occurrence for the war risk benefits provided by this Rider. This limit shall apply to Injuries sustained in a Covered Accident from all acts of war in any consecutive 72-hour period. If, but for this provision, We would pay more than \$3,750,000, then the benefits We will pay under this Rider to each Covered Person will be reduced in the same proportion, so that the total amount We will pay for war risk coverage is \$3,750,000.

Premiums and Coverage Subject to Change: The premiums, benefits, and areas in which coverage is provided may be changed at any time, by sending written notice to the Policyholder at its most recent address in Our records at least 10 days prior to the date of change. These

changes may be done as needed to reflect conditions that, in Our opinion, change the war risk exposure.

Termination: The Policyholder may cancel war risk coverage at any time by sending written notice to Us. The coverage will be cancelled on the later of: (1) the date We receive the notice; or (2) the termination date specified in the notice.

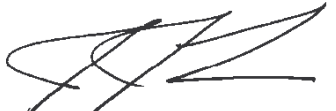

We may cancel coverage at any time by sending written notice to the Policyholder at its most recent address in Our records at least 10 days prior to the termination date. We will return any unearned premium that has been paid for this coverage. However, the return of premium is not a condition of termination.

Change or termination of this coverage will not affect a claim that begins while this coverage is in force.

The Policyholder must submit at least annual reports of war risk exposure. We may require additional premium for war risk coverage to remain in effect.

This form ends at the same time as the Policy to which it is attached.
