ACTIVITY 1: IDENTIFY THE SCOPE

Review the Notice of Allegations and Investigation:

Prohibited Conduct One

Prohibited Conduct Two

Stalking is defined as follows:

engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) fear for their safety or the safety of others; or (2) suffer substantial emotional distress.

Next, what is alleged per the complaint?

ACTIVITY 1: IDENTIFY THE ALLEGATIONS

Intimate Partner Violence

- February 1, 2022
- February 15, 2022
- February 28, 2022

Now here comes the real work...

EVALUATING EVIDENCE

-  Is it relevant?
-  Is it authentic?
-  Is it credible and/or reliable?
-  How much weight, if any, should it be given?

ACTIVITY 1: CATEGORIZE THE EVIDENCE

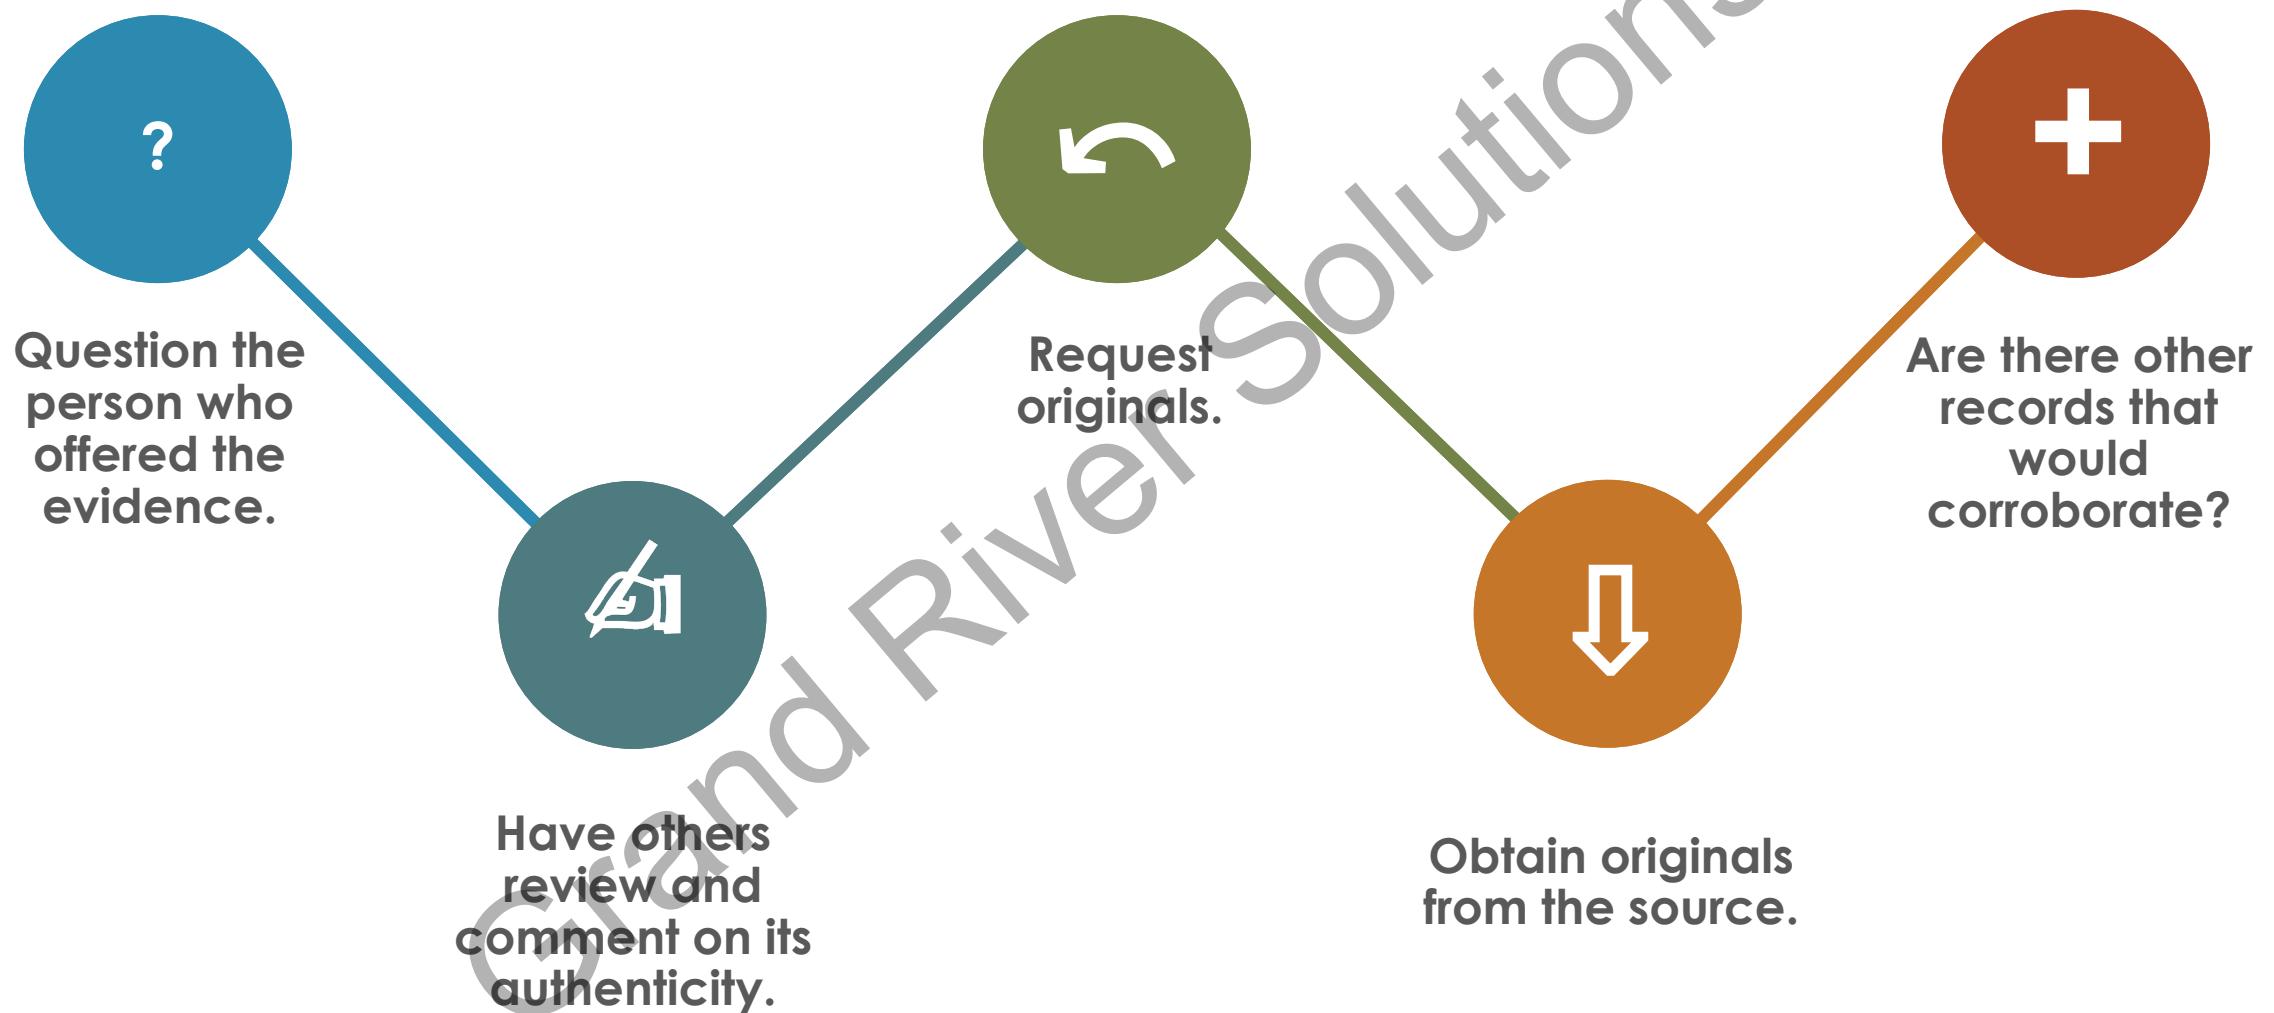

Relevant

- a) Does the evidence make a fact more or less probable than it would be without the evidence?
- b) Can the Decision-Maker rely on the evidence in reaching a determination?

Directly Related

- (a) Does the evidence refer to Complainant's sexual history or predisposition? Do any exceptions apply?
- (b) Does the evidence reference a legally recognized and unwaived privilege?

IS IT AUTHENTIC?

ACTIVITY 2: AUTHENTICITY ASSESSMENT

WHO PROVIDED IT?

To be objective, we must keep an open mind and remain aware of ALL possibilities.

IS IT CORROBORATED?

Is there other evidence that supports or strengthens the authenticity?

WHAT ARE THE ALTERNATIVES FOR AUTHENTICATION?

What are some other ways you may authenticate the evidence?

ADVANCED INVESTIGATORS TRAINING

DAY TWO

Maintaining objectivity when making assessments on credibility and reliability

CREDIBILITY AND RELIABILITY OF PARTIES AND WITNESSES

CREDIBILITY AND RELIABILITY CONSIDERATIONS

- Sufficiency of details and specificity
- Internal consistencies / consistency over time
- Consistency with evidence or testimony
- Corroboration

- Inherent plausibility
- Material omission
- Motive to falsify
- Past record
- Ability to recollect events

GROUP ACTIVITY 2: MATCHING GAME

Grand River Solutions

UNDISPUTED/ DISPUTED FACTS

UNLOCKING THE UNDISPUTED AND DISPUTED

The key to the undisputed/disputed section of the investigation report:

- Refer to the allegations and the relevant policy definition of the prohibited conduct.
- Focus on the relevant and material information that is related to the allegations and prohibited conduct definition.
- Not every statement in the summary of evidence will be referred to in the undisputed/disputed section **BUT** every statement in the undisputed/disputed section, must have been referred to in the summary.

WRITING THE UNDISPUTED/DISPUTED FACTS SECTION

1. Determine the material facts – focus only on material facts.
2. Determine which material facts are:
 - a. Undisputed – consistent, detailed and plausible, and/or agreed upon by the parties
 - b. Disputed – unsupported by documentary or other evidence, or are facts about which an element of doubt remains
3. State clearly which facts are accepted, and which are rejected, and state the reasons why.

ACTIVITY 3:

Review the Fact Pattern for the stalking allegation, taking note of the undisputed and disputed facts.

COMPLAINANT STATEMENT

Complainant stated that she and Respondent were in a dating relationship for approximately a year. Complainant alleged that following her decision to end the relationship, Respondent is now stalking her. Complainant stated that the relationship ended two months ago, in August. The complainant added that, after the August breakup, she had a few conversations during which Respondent asked her to reconsider, and she refused. In a final phone call sometime in September, Complainant stated she told Respondent, "My answer is final...Don't contact me anymore."

Complainant alleged that since that September conversation, Respondent continued contacting her against her wishes. More specifically, she described when she was going to her Monday morning class the week after this final conversation, she saw Respondent standing outside of her classroom. She said Respondent walked toward her and called her name, but she quickly went into her classroom to avoid him. She said Witness 1 observed this.

The complainant stated that that weekend, she received twenty Snapchat messages from Respondent in the span of an hour that were increasingly angry in tone. The last message read, "If you think you can get away with ignoring me, you're going to learn the hard way." Complainant said that she no longer has these messages but that she showed them to Witness 2. Complainant said she blocked Respondent's number and his social media accounts because he continued to contact her.

Finally, Complainant said when she arrived home yesterday, she noticed that a number of items were missing from her dormitory, specifically items that Respondent had either given her as a gift or which they had purchased together. Complainant stated that she may have left her dorm room unlocked that day and that she thinks Respondent entered without permission. Complainant asked that the Investigator review residence hall security footage. She concluded that she no longer feels safe without locking her door.

RESPONDENT STATEMENT

Respondent stated that he and Complainant dated for eight months and that they mutually ended the relationship in September. Respondent said that they both called and texted each other within the past month and that, while they discussed getting back together, they ultimately agreed that they would remain friends. Respondent denied that Complainant ever told him to stop contacting her. Respondent added that he and Complainant have been “off and on” in the past but have always gotten back together. He stated that, after the September break up, he thought Complainant wanted him to “fight for her” and prove that he would not give up on the relationship.

Respondent said on Monday mornings, they have classes near each other, and he saw her outside her building a few weeks ago but denied that he was trying to connect with Complainant. He said, at most, he may have waved to her as he entered the building where his class was.

Respondent stated that he may have sent Complainant some Snapchat messages that weekend after seeing her outside the building. He stated that he did not recall how many messages he sent or the specifics of what was said. However, he denied that he told Complainant, “If you think you can get away with ignoring me, you’re going to learn the hard way,” at any time. Respondent stated that he did call Complainant again because she asked him to over Snapchat. He said he no longer has copies of any Snapchat messages. Respondent stated that he realized Complainant blocked him a few days ago and stopped trying to contact her at that point.

Respondent denied entering Complainant’s room or taking any belongings. He stated that he was with Witness 3 all day yesterday. Witness 3 lived in the same building as Complainant. Respondent stated that he thinks Complainant may have seen him in her building that day and made up this story about the missing items to get him in trouble.

WITNESS STATEMENTS

Witness 1 Account

- Witness 1 said he has a Monday morning class with Complainant. He said he did not know Complainant very well and wasn't sure why she named him as a potential witness. Witness 1 said he was new to the University and didn't know many people. When asked if he noticed anything odd before class sometime in late September or early October, he said he did not recall anything notable.

Witness 2 Account

- Witness 2 lives in the dorm room across from Complainant. She said a few weekends ago, she heard Complainant yelling and so she knocked to check in on her. Witness 2 said Complainant seemed frustrated but was alone. She said Complainant briefly showed her Snapchat messages she said she was receiving from her ex-boyfriend. Witness 2 said there was a string of messages but that she did not see what was written. Witness 2 said Complainant asked to be alone because a call was coming in, so she left.

Witness 3 Account

- Witness 3 is Respondent's Fraternity Brother. He said he lives in the same building as Respondent's ex girlfriend, but that he has never met her. Witness 3 said Respondent stopped by his dorm room yesterday unexpectedly. He said they hung out for a little and played video games, but that Respondent left after a couple of hours to study.

- Respondent was outside Complainant's classroom

INVESTIGATION HURDLES

Prior bad acts, and
intoxication v. incapacitation

PRIOR BAD ACTS

Regulations and the Preamble

- Regulatory language does not explicitly address the admissibility of prior bad acts
- Prior bad act evidence is mentioned in the preamble and is not prohibited
- Institutions may adopt rules related to the weight or credibility of prior bad act evidence that must be applied equally to both parties

IMPROPER V. PROPER

Prior bad acts are not relevant to prove a propensity

Prior bad acts can be relevant to assessing credibility and reliability

POLL ACTIVITY: INCLUDE OR EXCLUDE IT

1

In a prior investigation, it was determined that the party submitted manufactured evidence.

2

In an earlier investigation involving a different Respondent, Complainant alleged that they were likely drugged and that they have no recollection of the events leading up to and including the reported incident.

3

Respondent stated that they were unaware that a person who is unable to communicate due to intoxication is incapable of giving consent. In a prior investigation, Respondent was found responsible for engaging sexual misconduct when they knowingly fondled a Complainant who was asleep.

INTOXICATION V. INCAPACITATION

Grand River Solutions

ASSESSING INCAPACITATION

Did Complainant consume alcohol/drugs?

Did Complainant exhibit signs of incapacitation?

Did Respondent know of Complainant's incapacity?

Should Respondent have known of Complainant's incapacity?

SCENARIOS: INTOXICATION V. INCAPACITATION

Fact Pattern A: “But they seemed fine”

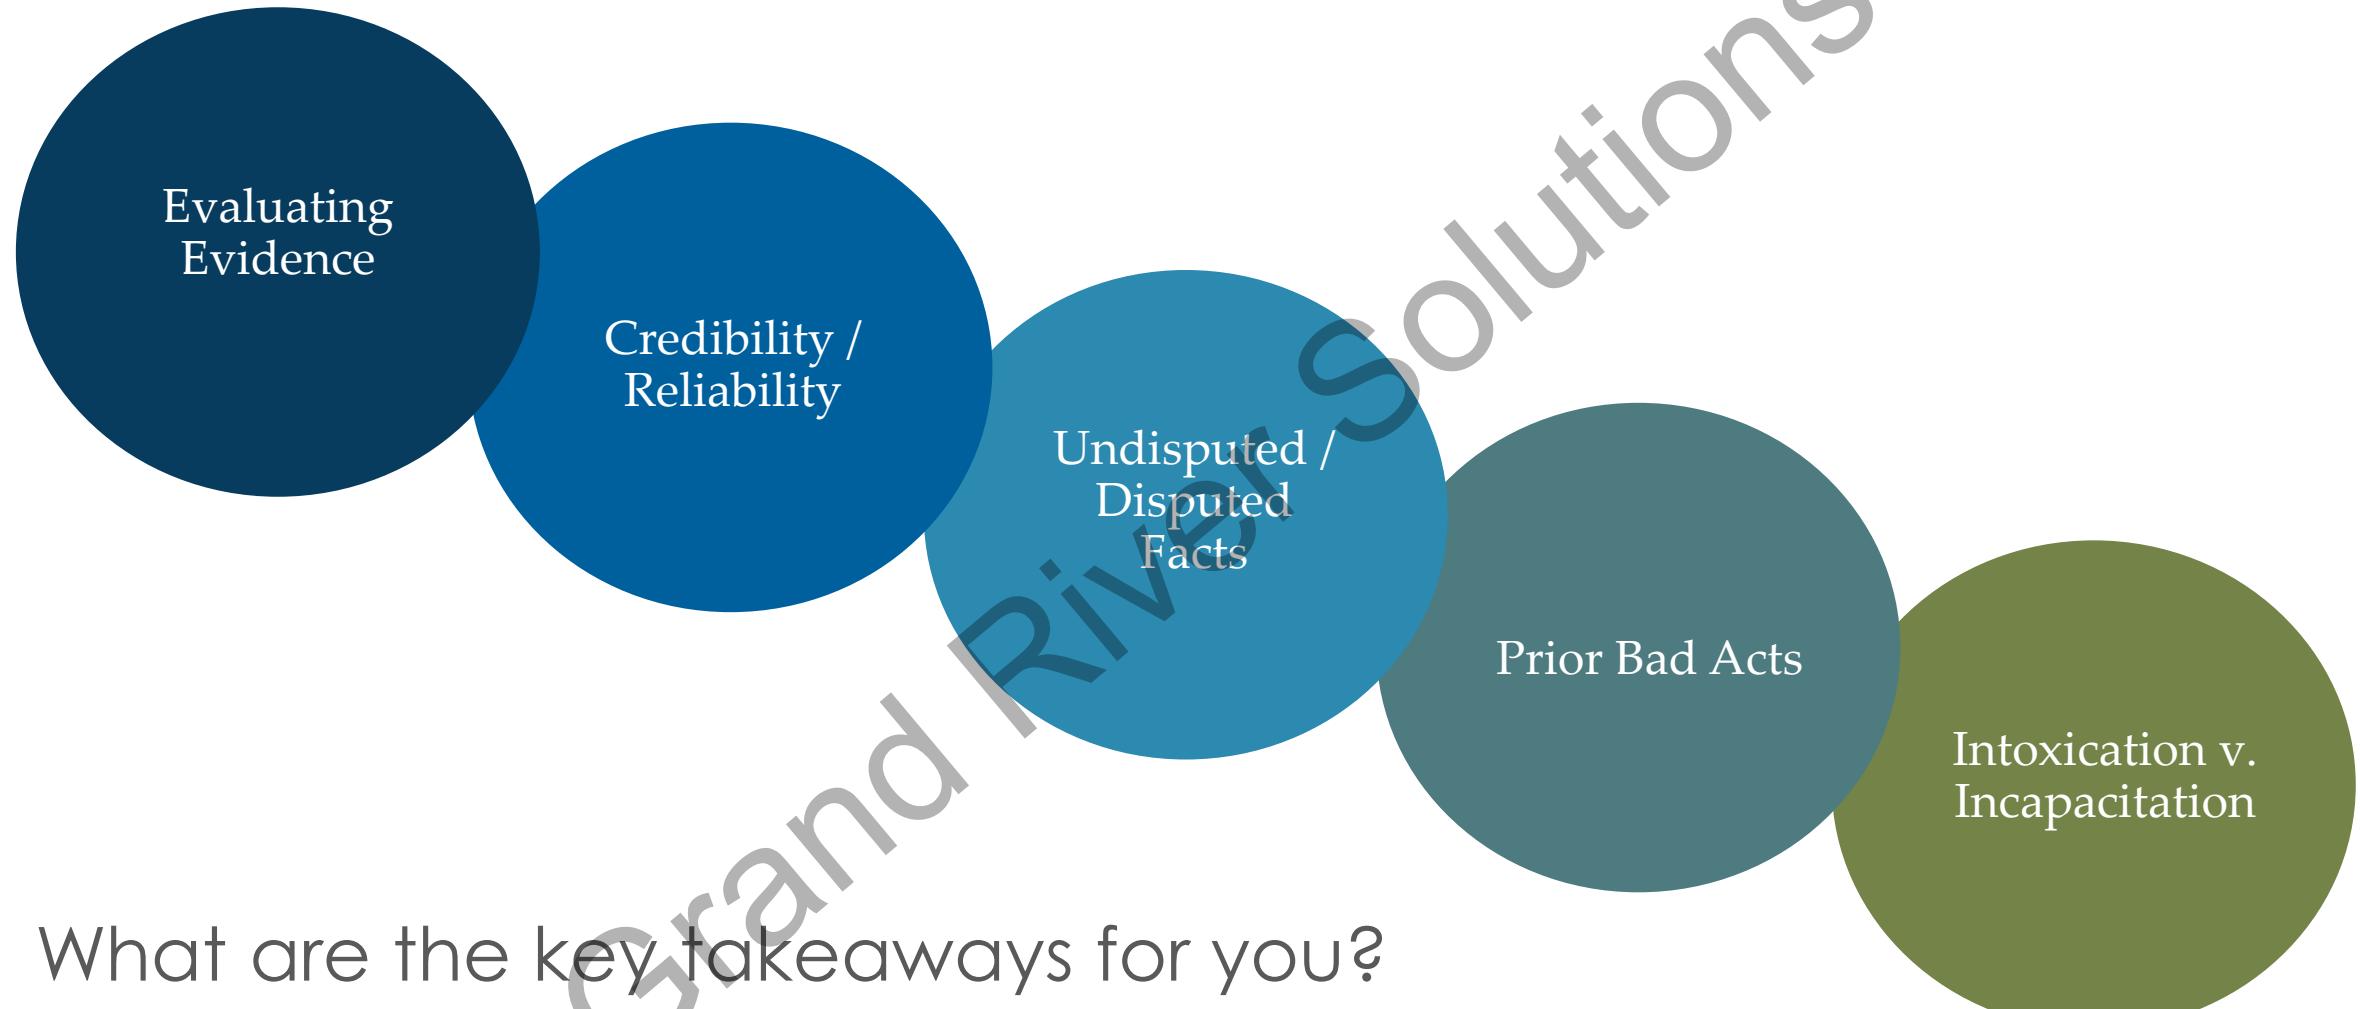

Complainant reported that they blacked out on the night of the incident. Complainant estimated that they had approximately five “shots” of tequila before they “blacked out.” Several witnesses attested that Complainant did ingest an unknown amount of hard liquor but was able to hold conversations throughout the entire evening and was not slurring or stumbling. According to an online BAC Calculator, Complainant likely had a BAC of .21%.

SCENARIOS: INTOXICATION V. INCAPACITATION

Fact Pattern B: “How was I supposed to know?”

Respondent stated Complainant was already at the party when they arrived. Respondent said they do not know how much Complainant had to drink but did see Complainant holding a red solo cup, drinking an unknown liquid. Complainant stated they remembered Respondent trying to dance with them, but that Complainant tried to push Respondent away and stumbled to the ground, unable to stand up again. Complainant said Respondent assisted Complainant upstairs to a room. Complainant stated they tried to speak but were unable to put words together without feeling the need to vomit. Eyewitnesses recalled seeing Respondent carry Complainant upstairs.
